ADID TEST READY FOR REPUBLICANS WHO ARE ON THE STATE TICKET

(By United Press.)

Columbus, O., Aug. 12—In undisputed control of the state organization as the result of the resignation from the Republican State Committee of Chairman Walter Brown and seven other Roosevelt men following the naming of General R. B. Brown, of Zanesville, for governor, Taft leaders today started to plan a real campaign in the president's behalf. At the same time Roosevelt followers planned to meet with James R. Garfield, in Cleveland, with a view to calling a state convention for the nomination of a Bull Moose ticket in Ohio.

Taft leaders made it plain today that they would ask a pledge of loyalty to Taft from every nominee on the state ticket, presidential electors and congressional nominees. Refusal of these nominees to come out squarely for Taft and the national and state Republican platforms, would result in the state campaign committee withholding from them any support whatever during the coming campaign. A successor to General Brown, as candidate for lieutenant governor will be named at a meeting of the state committee here tomorrow. In addition all vacancies on the committee will be filled and plans will be discussed for purging the electoral ticket of all men who have said they would vote for Roosevelt if elected.

Daugherty To Be Chairman

(By United Press.)

Columbus, O., Aug. 12—Harry M. Daugherty of Columbus, is slated for chairmanship of the Republican state executive committee which will be named tomorrow. There was some talk of Judge A. D. Raynolds, former speaker of the House of Representatives, to succeed Gen. Brown as nominee for lieutenant governor but there was some doubt expressed if he could be induced to give up the judgeship.

Taft leaders agreed to D. W. Allman of Dayton for membership on the Republican National Committee to succeed Walter Brown, resigned.

Hunting Man For Second Place

(By Associated Press.)

Columbus, O., Aug. 12—Telephone and telegraph lines have been kept busy the past few hours by the Republicans in an effort to secure a nominee for lieutenant governor to succeed R. B. Brown, of Zanesville, who on Saturday was chosen as gubernatorial nominee. Up to today most of the time has been spent in framing up plans for the reorganization of the state central committee and the state executive committee. Members to succeed the eight who resigned on Saturday will be selected at a meeting to be held in this city tomorrow.

L. C. Laylin, assistant secretary of the interior, will be the only personal representative of President Taft to attend the meeting, Carmi Thompson having returned to the national capital immediately after the breaking up of the meeting of the state central committee in this city Saturday. Political interest is centered on the plan of the Progressives to place a complete state ticket in the field. James R. Garfield has been frequently mentioned as the third party's candidate for governor. The Taft men have already selected W. S. Kent of Kent, O., to succeed C. L. Knight; George Stoffer of Ottawa, to succeed William Kirtley; James Whiting to succeed Chas. Lyons; Chas. B. Wilke of Lancaster, to succeed I. N. Foster, and Edwin Jones of Jackson, to succeed Sherman Eagle.

College Professor Committed Suicide

(By United Press.)

Greenville, O., Aug. 12.—Dangling at the end of a long rope attached to a bridge, near here, the lifeless body of Prof. James Hayes Corey, 40, of the department of English, Dennison University, was discovered by a farmer here today. It is believed that the body had been hanging there throughout the night. It is known that Corey left his home, taking with him the clothes line which he used as a means of his own destruction. His friends today said that ill health had made him despondent. Physicians say that Mrs. Corey's condition is critical, due to the shock of the news of her husband's death.

Prof. Corey was confined to the Columbus State hospital for the insane, fourteen years ago, but was discharged when examining physicians declared that his mental poise had been restored.

WILSON WANTS SMALL FUND FOR CAMPAIGN

(By Associated Press.)

Sea Girt, N. J., Aug. 12—Economy to the extreme and the smallest campaign fund in the history of any party, is the wish of Governor Woodrow Wilson as expressed today. In discussing the reports that the Democrats are trying to raise a campaign fund of $[illegible] the nominee for [illegible] said:

"[illegible]es me very much to [illegible] that amount has been [illegible] the sum needed to con[illegible] the campaign. I do not know [illegible] which is needed but I am con[illegible] that the sum named is ex[illegible] I asked Col. SEARCH FOR TWO GIRLS

(By Associated Press.)

New York, Aug. 12—The Cleveland police have been asked to search for Rose Dipoln and Rose Dorigilin, 12 and 14 respectfully, who disappeared from their homes in Brooklyn. A brother of the former notified the police that he had reasons to believe that the girls have been kidnapped and taken to Cleveland for immoral purposes.

SEVEN DIE IN ELECTRIC CHAIR

(By United Press.)

Ossining, N. Y., Aug. 12.—Seven men were sent to death in the little brick annex to Sing Sing prison soon after sunrise today. Five passed into eternity protesting their innocence with their last breath and calling on their Maker to prove that they were innocent. One, the sixth to die, collapsed in a dead faint from the strain of waiting in the death house while his five companions who preceded him went to their doom. The crucifix, which fell from his hands, was replaced by the faithful priest and a moment later unconsciousness had turned into death.

The first man entered the death chamber at 4:59 and was pronounced dead at 5:05, while the seventh and last entered at 6:04 and was declared dead at 6:11.

It was the largest number of men ever killed by electricity since that death-dealing fluid was substituted for other forms in carrying out the laws of extreme penalty. The authorities pronounced the execution "The most successful and featureless ever held."

The victims were John W. Collins, a negro, who, while insane from excessive drink, shot and killed a policeman in New York; Jos. Ferrone, who cut his wife's throat because she refused to lead a life of shame and keep him with her earnings; Angel Guista, Lorenzo Cali, Felipe De Marco, Salvatore De Marco and Vincenzo Cona, who participated in the series of robberies that ended in the murder of Mrs. Mary Hall in a mountain cabin near Cronon Lake.

Collins was the first to die. He was fully reconciled to his doom and an enthusiastic believer in the comforts of religion. Ferrone was the last. He was recognized as a desperate character. When convicted he tried to murder a juror, spat at the judge and finally attempted suicide in open court. But he, too, had to break down under the weight of imprisonment and went to his death smiling. At the last he accepted the consolation of religion and was uttering a prayer as the swish of the electric current straightened out his body, cutting off the last word.

When Collins entered the room to pay the penalty he knelt, resting one arm on the death chair, and prayed. He then voluntarily seated himself in the chair. Instantly the switch was turned. There was a creaking as the body was forced by the powerful current against the straps that held it. Three separate shocks were sent through the man's body.

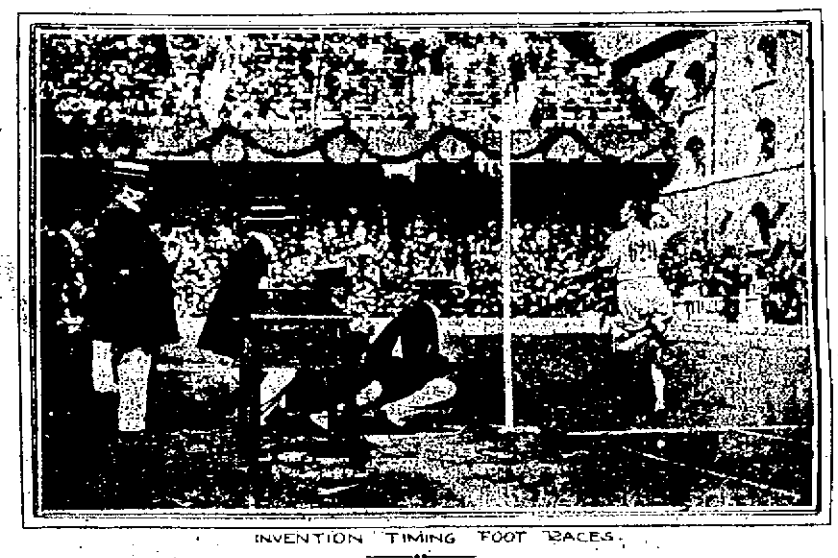
Cali was the second to die. When he was brought to the chair he called upon God in his native tongue that he had had no part in the murder of Mrs. Hall and that he was not given a chance in court. There were beads of sweat on the brow of every witness when the death-dealing current choked off his protestations of innocence. Two shocks only were necessary. Salvatore De Marco was the third to die. He settled back in the chair seemingly trying to aid in fastening the straps about him. It took three currents this time.

Phillipo De Marco was next. He shouted again and again that he was innocent until the current sealed his lips. The current was kept on one and one-half seconds. Simultaneously came the sizzling of scorching hair and above the head straps swirled a little cloud of smoke. The stench was fearful. The current was shut off and again turned on. Guista died bravely, protesting his innocence.

Cona, a frail young man, collapsed at his first sight of the chair. Guards caught the fainting form and pushed it into the chair.

Ferrone was the last to die. "Good-bye. Good-a-luck," he called to witnesses and attendants. The sun was lighting up the hills to the eastward as the doctor pronounced the last of the seven murderers dead.

ELECTRICITY ACTED AS JUDGE AND TIMER OF THE OLYMPIC RACES.



INVENTION TIMING FOOT RACES.

In the above photograph the reader will see how the finish of a race was triply attested at Stockholm. First of all there were the timers, with their stop watches in hand.

In co-operation with them was a mechanical device for timing. The tape which was stretched across the track was attached to an electric contrivance by which watches were stopped instantaneously with the breaking of the tape by the man who finished first.

The judges lined up in order to watch the finish and place the runners, but their eyes were not permitted to give all the testimony as to the running of the race, for the moment that the tape was parted and the timing watch was automatically stopped a snapshot was mechanically taken of the finish by the camera, which is seen adjusted opposite the line. The breaking of the tape caused the camera to work. Between the observations of the judges and the assistance which they had by means of modern inventions it is the opinion of those who observed the contests that they were perhaps the best judged of any in the history of athletics.

AMERICAN CONSUL HAS PROTESTED

(By Associated Press.)

Washington, Aug. 12.—American Minister Whitsel, of Managua, has protested to the head of the Nicaraguan rebels against the threatened mobbing of Americans in Managua. Mena, the leader, has been notified that he will be held personally responsible for all injuries sustained by American subjects or property. The force of blue jackets in the war zone will be supplemented by 300 marines ordered dispatched from Panama. The American minister has full authority to use the forces and compel the rebels to respects American subjects and their property.

READY TO ADJOURN

(By Associated Press.)

Washington, Aug. 12.—Majority Leader Underwood of the House, today predicted an adjournment of Congress this week unless President Taft vetoed the legislative, executive and judicial appropriation bill. The president stated that he would veto the measure because it contained provisions to abolish the commerce court and limited the tenure of office of civil service clerks to ten years.

Miss Anna Willis, clerk at Anderson Bros.' store, spent Sunday in Grenup, Ky., with her parents.

TY COBB IS HURT IN FIGHT WITH ROBBERS

(By Associated Press.)

New York, Aug. 12—Outfielder Ty Cobb, of the Detroit Americans will be out of the game for a few days as the result of knife wounds inflicted in his back last night by a trio of robbers who attempted to hold him up as he was returning from an automobile ride with his wife. Cobb was ordered from his machine by the three highwaymen. When he jumped to the ground he attacked them, knocking two of them down according to his story. The third clinched with him and in the melee he was stabbed in the back with a small knife. It required two stitches to close the wound. All three of the would-be robbers escaped.

WM. MILLER SLATED?

(By Associated Press.)

Columbus, O., Aug. 12.—William M. Miller, of Columbus, is slated for the secretaryship of the Republican State Central committee when it meets tomorrow, according to local gossip. It is said he will be made a member from the Twelfth district. Miller is a former newspaper man.

The Woman's Foreign Missionary society of Bieglow church, will hold an afternoon social, Tuesday, at the residence of Mrs. Geo. D. Selby. A nice program has been prepared and light refreshments will be served. A big attendance is desired at the meeting.

SENATE FOR A PARCELS POST

(By Associated Press.)

Washington, Aug. 12.—Without a word of debate the Senate today adopted the Bourne-Bristow parcels post plan as a substitute for the House provision in the postoffice appropriation bill. The plan would divide the country into eight zones. Within a 50-mile radius the plan is to charge 5 cents per pound for all first-class matter and 3 cents for it beyond that radius.

BID FOR VOTES OF WOMEN

(By Associated Press.)

Seagirt, N. J., Aug. 12.—Though the Democratic party has no plank in its platform advocating woman's suffrage they have plans on foot that will put in a bid for the favoritism of it. Mrs. J. B. Harriman is to have charge of the woman's suffrage campaign in the six states where it is in vogue, namely, Washington, California, Wyoming, Utah, Colorado and Idaho. According to present plans, she will make an appeal by speeches on the tariff, the high cost of living and the workmen's compensation act.

Woman Shoots Herself

(By Associated Press.)

Cincinnati O., Aug. 12—Because of despondency Miss Clara Koehler, 17, living on the New Richmond turnpike, a few miles from this city, committed suicide by shooting herself in the abdomen with a double barreled shot gun. She used her toes to pull the trigger. No reasons are advanced by relatives as to the cause of her despondency. Death was instantaneous.

SENSATIONAL CHARGE MADE BY SENATOR

(By Associated Press.)

Washington, Aug. 12—Senator Robert La Follette, on the floor of the senate today, charged officials of the post office department with rifling his mail in an effort to learn the results of an investigation he was making in the postal service. He showed a pile of letters addressed to him which he claimed had been opened by the officials, unlawfully.

DRINKS ACID ON STEPS OF GIRL'S HOME

(By United Press.)

Springfield, O., Aug. 12.—Despondent by the refusal of his sweetheart, Miss Hartenbarger, 18, to marry him, Frank Hawzer, 19, ended his life by drinking carbolic acid on the steps of the girl's home today. The couple had just returned from a day's outing at Cedar Point. The girl said she had refused to marry him because both were too young.

CLING TO THE HONOR SQUADS

(By United Press.)

Columbus, O., Aug. 12.—Thos. E. Davis, of the state board of administration, today announced that the honor system among convicts would not be abolished, because 13 of the honor squad got drunk and terrorized the residence district of Lima yesterday. Despite the numerous escapes of other convicts during the last few months, the board has clung tenaciously to its system. There are now eleven convicts who have made their escape and are still at large.

MURDER MYSTERY BEING UNRAVELED, SUSPECT IS CAUGHT

(By Associated Press.)

New York, Aug. 12—This week promises to unravel much, if not all, of the mystery in connection with the murder of Herman Rosenthal. With the coming of Schepps and the possible confession of Jack Sullivan, the district attorney's office is prepared for new and important evidence. Schepps, under arrest at Hot Springs, may confess everything.

"I am the keynote of the situation," Schepps is reported to have remarked shortly after his arrest.

Schepps, according to Rose, rode in the murder car up town and paid the gun men after the shooting. The district attorney has sent his own special agent after Schepps. District Attorney Whitman does not want the police to interview him before his own men have had their talks. Detectives hearing of the presence of Harry Harowitz in the city have combed the East Side for him but to no avail. Deputy Police Commissioner Daugherty is investigating the story to the effect that detectives allowed Schepps to go free in the Catskills after they had located him. "If I find that is true I will break them," said the commissioner.

Schepps, in his story of his concealment in the Catskills, where the New York detectives were searching for him in Sullivan county said:

"I was asleep in a gymnasium when five of the detectives, whom I knew, came in. One of them lifted the covering off me and grinned. He asked me who I was. I said my name was Smith and smiled back. I was then on my way to Buffalo. From Buffalo I went to Hot Springs."

Says Rose Has Talked Too Much

(By Associated Press.)

Hot Springs, Ark., Aug. 12—"Jack Rose has told things unnecessary to the New York prosecutor and has tried to get me in bad. When I get back I will tell Whitman the entire truth. He can't give me the worst of it," said Sam Schepps here today, under arrest for alleged conspiracy in the murder of Gambler Rosenthal in front of the Metropole Hotel more than a month ago. He denied vigorously that he had made any confession.

Woman Shot A Man To Save Her Honor

(By Associated Press.)

Nashville, Tenn., Aug. 12—Shooting to protect her honor, so she claims, Mrs. J. Allen, 22, widow, killed William Shoffer, a few years her senior, in the hall of her home here today. Afterwards she surrendered to the police and was admitted to $10,000 bail. She claims that Shoffer violently assaulted her several days ago and then insisted that they get married. She refused him and today he telephoned her, threatening to kill her if she did not consent to his wishes of getting married. She armed herself with a revolver and when he arrived at her home she opened fire, killing him instantly.

TROOPS FIRED ON MEXICANS

(By Associated Press.)

El Paso, Tex., Aug. 12—A fight between United States troops and Mexicans occurred at Columbia, near the international border, here early today. One soldier was shot through the body and one Mexican had his hand torn off by a bullet. The fight was caused by the attempt of the Mexicans to smuggle instruments of war across the border. The Mexicans were driven back. Many firearms and 200 rounds of ammunition wee captured.

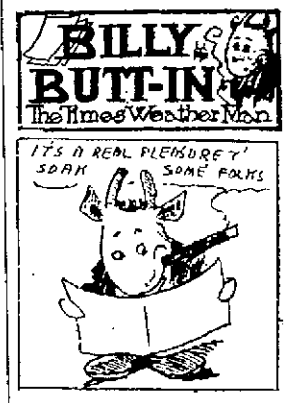
FAIR EXHIBITS TO BE LARGE THIS YEAR

(By Associated Press.)

Columbus, O., Aug. 12—Exhibits at the annual state fair this year will be the largest and most extensive in the history of the Ohio State Agricultural Association, according to word given out by the officials of the organization today. All of the live stock entries have been closed as all available space for the exhibits have been taken. There will be about 200 hogs, 600 horses and 2000 sheep on display. All parts of the state will be represented in the exhibits. The plan of last year not to issue passes, not even to the exhibitors themselves, will be followed this year.

Mr. and Mrs. M. W. Brown and Mr. and Mrs. E. E. Enyon, of this city, motored to their country home near Harrisonville, Sunday, where they spent the day delightfully.



Next t' th' pleasure o' beatin' Teddy an' Taft next fall I don't know of anything so ticklin' t' me as handin' one t' Cincinnatoe yesterday. How's that- Didn't they win one too? Yes, sure, but they had a fearful fight t' do it an' that leaves us th' best o' th' argument any way. An' speakin' o' fights that ain't goin' t' be no tame affair between th' Elephant and Bull Moose here in Ohio this fall. I can almost hear th' Democratic donkey smilin' over th' result already. No difference what th' row we've got t' have weather. Here it is:

SURELY, WHY NOT?

In The Times, of Friday, it was noted that the Norfolk & Western was not only agreeable but anxious to bear its heaviest portion of eliminating all grade crossings.

It may not be possible for the city to meet the expense that would fall upon it in the elimination of all grade crossings, but in view of the abandon with which the gang administration is issuing bonds for this or that purpose of lesser importance, it does seem it could provide means for at least bearing its share of making two or three of the crossings absolutely safe. With grades eliminated at Waller, Offnere and Gallia, which carry the greater volume of traffic there would be a measure of security provided, in fact the larger degree of peril would be avoided as travel would generally seek the safe way.

ATTORNEY IS JAILED ON A CONTEMPT CHARGE

Lyman H. Innis, a Columbus attorney, was brought before Judge Blair, Monday, to answer to a charge of contempt. Innis was charged on information furnished by Prosecutor Small with having, at a judicial sale in the case of Innis against T. J. Burns et al., on January 3, last, bid in the property consisting of a tract of land at the head of Turkey Creek, at $100, but has ever since refused and neglected to pay for the real estate so bid on. Innis was taken into custody Sunday by Sheriff John Eckhart, while in the Capital City, where he took Pen Latimer, Robert Ford and John Willis to begin their sentences at the penitentiary. The prisoner was brought here last night and lodged in jail.

Innis, when brought into court, attempted to explain that there was an error in the advertisement of the property, but the court held that was no excuse. The defendant then gave up the fight and pleaded guilty. In view of the fact that he was in jail over night, the court thought that was sufficient punishment on the contempt charge and allowed him to go after he had paid the costs and guaranteed that the property on a re-sale will bring a specified amount.

The Catholic Foresters, at their meeting Friday night, will complete arrangements for the picnic to be held at Millbrook park August 17th.

Socialist Picnic Was A Great Success

The Socialists held a large picnic at Coney Island, Sunday. The threatening weather kept a number of the members away, but those who spent the day at the Island thoroughly enjoyed the outing.

There were no addresses made in the morning and after a picnic dinner had been served, Chairman Walter Bagby called the meeting to order and introduced Thomas L. Buie, of Denver, Colorado. Mr. Buie is an orator of note and for 30 minutes or more he discussed "Socialism" in every phase. He is heartily in favor of woman's suffrage and did not hesitate to tell the Socialists that it was their duty to support the suffrage amendment.

Splendid music was furnished by Hugh Cox, Bruce Harrison, Martin Zuhars and Walter Bagby.

Following the reading of several papers the physicians will sit down to an old-fashioned picnic supper. A few of the more venturesome will play "pass."

Judge W. H. James left this afternoon for Wakefield, where he will join Mrs. James, who is spending the month of August at the James farm. Mrs. James recently went to Wakefield from Chicago, where she has been visiting.

Quadruplets Are All Living

Boston, Mass., Aug. 12.—The Hub today claims another record. Four days ago Mrs. F. H. Seeley, of Dorchester, presented her husband with quadruplets—all girls. All were well today and this morning they did nothing but coo and take their turns at table. Miss Flora Welsh, matron of the hospital where mother and babies are, said that there was no case on record of quadruplets living as long as the Seeley babies. The fact that none had exercised her lungs worried the physicians.

"Along about 8 o'clock this morning," said Miss Welsh, "all four began screaming lustily, so we think they will live."

Jag Cure For Inebriate Cow

Washington, Aug. 12.—Department of agriculture experts are today administering the jag cure to an inebriate cow. The once decorous animal owned by a Virginia farmer, recently attracted her master's attention by leaning wearily against the pasture fence and bawling "moosh" in a hilarious tone, at the same time flirtatiously waving a maudlin front hoof at some steers in the next pasture. Investigation showed she had fed on fermented ensilage.

Privileges At Picnic

Three bids were received on securing the privileges for the Sunday school picnic to be held at Vaughters' Grove, Saturday, August 24. John Shafer and George Clifford received the contract for furnishing lunch stands, etc., their bid being $19 and all responsibility. The Ohio Farmers ball club's bid was $17.35, and James Hestel, $14.35. The Shafer & Clifford contract covers more items than the other two.

Bill Ran Amuck

Carrying a chip, a foot wide on his shoulder, and about two quarts of booze under his belt, Bill Moore, colored, and a prototype of Jack Johnson, ran amuck in the East End Monday afternoon.

After threatening to clean out the East End fire department, he calmly boarded the truck of the Gilbert Grocery Company and told the driver to speed her up. The police were notified and it required three of them to land Moore, who was not overtaken until he had reached Vinton avenue. Officer Dixon fired three shots at the fleeing negro.

PEACEFUL VALLEY

Rev. Arthur Cox will preach at Salem, Sunday, Aug. 11th. After preaching he will reorganize the Sabbath school. He will soon leave for conference.

Charlie Smith, who has been working in Portsmouth, returned home Sunday.

SALEM

The work on the White Gravel pike will be commenced next Monday.

There will be preaching at this place Sunday at 2:30 by Rev. Mr. Cox.

The township trustees sold out the job of building two bridges near James Irwin's, Tuesday.

Angie Warren, of New Boston, is visiting her grandparents at White Gravel, this week.

Delmer Kronk, of Portsmouth, has been making hay on his farm in Madison.

Several people at this place are intending to take in the K. of P. picnic at Stockdale, August 24.

The meeting at the Valley church Saturday evening, was well attended.

The Valley grange annual picnic is scheduled for August 31.

Charles Smith and Clarence Allen are working on the Dever pike.

Clyde Kronk resumed his peddling trip through the Glades, Wednesday.

TODAY'S GAME

At the end of the fourth inning the score at Chillicothe Monday was 2 to 0 in favor of the Champs. The pitchers are Donalds and McGrauer. Portsmouth scored two runs in the first inning.

Missed Train.

Bill Bishop started to Jackson to take work at his trade of boilermaker, Monday, but missed connections.

Mr. and Mrs. Merle Hood, who were recently married, have rented a suits of rooms in The Wilhelmette and will go to housekeeping at once.

Rival Church Factions Engage In A Near Riot

Another open clash between the two factions in the Front street Free Will Baptist church occurred Saturday evening and resulted in some rioting.

The latest trouble was precipitated by the action of Rev. Ira Sans' followers in locking up the church. The opposing parties, who have sworn allegiance to Rev. C. L. Diamond, are said to have broken the lock and made a warlike demonstration by promenading up and down in front of the church and abusing and threatening the other faction. Wes Cullom is said to have chased and beaten up Roy Johnson, and later Rev. Diamond, John Lawrence and Roy Johnson went to George Hamilton's home, where a disturbance was raised, notwithstanding that William Lair lay at the point of death in an adjoining room.

Following the demonstration, Jacob Pollard, who lives near the church, and who has a claim against the same, got busy with a hammer and nailed up the door and windows. Rev. Diamond and his followers in consequence, made no attempt to hold services Sunday. James Hayes, however, went to police headquarters and made complaint about Pollard's action, and asked the officers to open the church. They refused to interfere.

Pollard and George Hamilton, who was custodian of the church property for Rev. Sans, announced Monday that they would swear out warrants for the arrest of Rev. Diamond, Hayes and Lawrence for alleged trespassing and damaging property. They expect to go before Squire Byron, the police authorities having last week ignored the charge made against Mose Williams, a gang henchman, for assaulting Mrs. Charles Morris, when she stood in front of the church with her baby in her arms, while the two factions were warring with each other.

NOBLE DUKE BLACKBALLED

Cowes, Isle of Wight, Aug. 12—Regatta week's close was marked by a profound sensation in society. The news leaked out that the Duke of Manchester had been blackballed at the recent election of new members in the Royal Yacht Squadron, the most aristocratic, most exclusive club in the British Empire.

America will be especially interested in this because the Duke is half American, his mother having been Miss Consuelo Yznaga of New York, and his two sons and two daughters being three-quarters American, his wife formerly being Miss Helena Zimmerman of Cincinnati.

It is most unusual for a candidate to be blackballed because, owing to the social stigma it inflicts, great care is taken that a nomination is likely to be acceptable to every one.

Rumor also mentions as having been also blockaded another duke, whose love affairs with a Gaiety actress have caused much gossip, but regarding him the report is incorrect.

LABOR NEWS

To Extend Civil Service

Washington, Aug. 12—It is reported from official sources that it is contemplated that ten thousand navy yard mechanics will come under the operation of the civil service law when President Taft signs the executive order now being prepared by the navy department officials, in conjunction with the civil service commissioners. Heretofore these employees have been shielded from political changes by a system of regulations governing the employment boards in navy yards and stations. The employes were subject, however, to change or abolition at the will of the person who might be at the head of the department. The men now in the yards are not to be required to undergo examination, but newcomers will be subjected, so it is said the plan provides, to severe practical tests, and must also pass physical examinations. It is said that there will be a regulation that anyone leaving work and seeking reinstatement must place his name at the bottom of the eligible list.

Corset Workers Mistreated

Washington, Aug. 12—In last week's News Letter it was reported that the corset workers and the manufacturers in Kalamazoo, Mich., had reached an agreement and the strikers were returning to work. An agreement was signed by the manufacturers, but upon the return of the strikers they were subjected to such ill treatment, the management also violating the terms of the agreement, that it was determined to continue the fight. It is stated that the strikebreakers refused to work with the strikers and the company stood by the strikebreakers. From reports it was never the intention of the company to abide by the terms of the agreement. The girl strikers are plucky and will continue the fight with as much zest as heretofore. At a meeting called in the interest of the strikers Miss Jane Adams of Chicago, and Mrs. Raymond Robbins, president of the National Women's Trade Union League of the same city, delivered addresses.

Join Regular Organization

Washington, Aug. 12—The Industrial Weekly, published at Syracuse, N. Y., prints this item: "The Syracuse local of electrical workers, which when the split between President McNulty and Vice President Reid came, were with the Reid faction and thereby outlawed themselves with the general labor movement (because the A. F. of L. forbid the recognition of the Reid faction), has returned to the fold again by its decision at its last meeting to use the old McNulty charter. This is very pleasing to the local labor men, who never felt quite disposed to fight the local boys at No. 43, believing that in time they would again become regular. Thus the local atmosphere in labor's realms has been somewhat clarified, for there is nothing so damaging to the labor movement as these internal dissensions."

Feehan Resigns

Washington, Aug. 12—Francis Feehan, for a number of years president of District No. 5, Pennsylvania, United Mine Workers, has resigned. During the incumbency of Feehan intense internal strife has convulsed the miners' unions of the district, and only recently an investigation was made by authority of the international organization into the charges against Feehan of alleged irregularity in his last election. The report of the investigating committee completely exonerated Feehan. Immediately after the committee rendered its decision Mr. Feehan tendered his resignation as president of the district.

Boston Car Strike

Boston, Aug. 12—The street car strike in this city is making headway. The state board of arbitration and conciliation is conducting an investigation, and as a result there probably will something material grow out of it. There are 3,500 strikers, and they are being fairly well provided with sustenance. The condition existing on the car lines is well nigh indescribable, with only few people using the cars, and accidents continue to be the order of the day, and blockades are not uncommon, the strike breakers being extremely "green." Those in charge of the strike report that they are satisfied with the present state of affairs, and look for a change for the better to come in the shape of consent on the part of the company to open negotiations. The business men and the public generally are sympathetically inclined toward the strikers.

No Shut Down For Summer

Pittsburg, Aug. 12—With the thermometer reaching for the top of the tube the iron manufacturers have announced that there will be no summer suspension of the mills. This is unprecedented, for in the past, no matter how rushing business was, there has been a shut down of about a month, and often six weeks, during the heated period. Labor is as scarce as it was a month ago, and the big corporations are still keeping men at ports of entry on the sea coast to get as many as possible of the foreign laborers coming in. It is stated that the demand for laborers in the iron mills is greater at this time than for many years.

Section Hands Strike.

Ft. Wayne, Ind., Aug. 12.—The section hands employed on the Wabash railway between Ft. Wayne and Toledo, and between Ft. Wayne and Montpelier are on strike. These men have been receiving the munificent wage of $1.50 per diem of ten hours, and a demand was made for an increase to $1.65. The officials of the company peremptorily refused concessions, although in this era of high prices the wages of $1.50 per day is generally admitted to be below the bread line.

State Council of Painters.

Worcester, Mass., Aug. 12.—The Massachusetts State Council of Painters will hold an important meeting in this city on July 14. An effort was made to secure an agreement with employers of the state, or by law, requiring rope rails around staging, and instituting other safety measures. As the new compensation law is now operative, it is likely that the employers will prefer to cooperate in providing safety for workmen with more alacrity than formerly.

Thirty trade unionists in congress would be invaluable to the labor movement. Let's strive to accomplish that result.

MR. WILLIAMS WILL SPEAK.

The Cincinnati Enquirer said Sunday that Floyd Williams, a prominent young attorney of the Queen City, had been engaged to make speeches in favor of Woman's Suffrage. Mr. Williams is a former Portsmouth boy, who is making his mark abroad.

Fixing Up The Alleys

The public service department officials now have the alleys in the Hill-Top district in good shape by spreading crushed limestone. It is to be hoped the officials will now turn their attention to some of the alleys in the down-town district. Many are thick with weeds and pools of stagnant and disease-breeding water.

Evened Up By Socialists

St. Mary's, O., Aug. 12.—(Spl.)—A $10 slice was lopped off by the Socialist Council from the monthly stipend of Police Chief Frank Siefert, and $5 added to the salary of Patrolman Otto Garver, placing the two officers on an equality in income. The Chief is not a Socialist, and Garver is.

Boils, Rashes, Pimples, Etc.

When the blood becomes infected with any unhealthy humor the effect is shown by boils, pimples, and rashes or eruptions on the skin. Humors get into the blood usually because of an inactive condition of the eliminative members. Thus unhealthy matter is left in the system to sour and ferment and be absorbed into the circulation. Remove these humors and no skin trouble can exist, because its very source is then removed. Boils, rashes, pimples, etc. can never be cured through the application of external medicines, because such treatment can have no possible effect on the blood; the most to be obtained from such measures is temporary relief. S. S. S. CURES all skin affections because it purifies the blood. It goes down into the circulation and cleanses it of every particle of unhealthy matter. Then the blood exercises its normal function of supplying nourishment to the cuticle instead of irritating it with a fiery humor. If you have any skin trouble you could not do better than purify your blood with S. S. S. It does not "patch up" it cures. Book on Skin Diseases and any medical advice free.

VOGEL SEAT SALE OPENS WEDNESD'Y

John W. Vogel's Big City Minstrels, will be seen at the Grand Thursday evening. The company is half a hundred strong and boasts of a roster second to none. Manager Vogel's reputation for being a standard-bearer is enough to satisfy us that the performance will be in keeping with the heralding. The Radium Palace, a new and very elaborate first part setting, will be presented here for the first time, and it is said to be the most beautiful and costly affair ever used by any theatrical company in this or any other country.

Tommy Donnelly, "that phunny phellow" with Vogel's Big City Minstrels, is a wonder. Mr. Donnelly is unique as a monologue artist, as he possesses a singing voice of much clarity and sweetness, something very few in his special line of stage work enjoy.

He is as clever as the best and performs it with much more ease than any other performer in his line. He responds to his encores and exhausts his responses to the audience. Wherever Mr. Donnelly appears he wins a loyal clientele.

The seat sale for Vogel opens on Wednesday morning.

Watch Your Refrigerator

You'll save many a doctor bill by watching your refrigerator. Keep it absolutely clean all the time. The best way to clean it is to take clean, hot water, make a suds with Easy Task Soap and wash every nook and corner in the ice box and refrigerators. Then the food doesn't get smelly and carry disease germs to the table. Easy Task Soap being made of pure cocoanut oil, borax, naptha and clean tallow, is antiseptic as well as cleansing. It is a wonderful soap and a nickel a cake.

SCIOTO COUNTY FAIR
LUCASVILLE, OHIO
Aug. 13, 14, 15, 16.

All regular trains stop at the Fair Grounds, three last days. Special Trains on Aug. 14th and 15th, leaves Portsmouth at 1:00 p. m., and returns at 6:00 P. M.

The Lucasville and the Portsmouth Fair Associations have combined and now but one Fair will be held in the county at Lucasville, O., Aug. 13th to 16th. The resources of these combined companies, makes possible the greatest Fair in Southern Ohio. A great, grand new art hall has been erected and from present indications will be filled to overflowing with the products of the farm and works of art. A ladies sanitary toilet, separate, private booths, built on modern lines, including running water laboratory, is no longer a dream but a reality.

Instead of a questionable supply of water a perfect sanitary system has been installed and pure clean water is carried to the most accessible parts of the grounds where hydrants are erected. A new well has been driven in the lower part of the grove for watering stock.

Dugan's Grove

Dugan's Grove, famous for half a century for its beautiful oak trees, cool shade and green, blue grass carpet! This is the home of the Scioto County Fair. This is the One Fair, where you can find comfort and rest. Bring your dinner and spread it out on the clean grass where you can sit down and enjoy yourself with your friends.

Unusual Attractions

The above are the unusual attractions. You won't find them at many fairs---and of course you will see all the other attractions that other fairs offer besides these---Horse Racing, Band Music, Balloon and other things we'll tell you about later on.

Make your plans to come. You will be well repaid for your time.

The Famous Baldwin, all metal, Red Devil Aeroplane will make two flights at the Fair Grounds each day, Aug. 14th and 15th.

This is not a balloon or a dirigable balloon, but a real, motor driven, all metal aeroplane of the latest type.

A Famous Foreign Aviator will start this red devil machine inside the race track in front of the grand stand and alight in the same place.

Now this is an entirely new type of flying machine, the latest wonder of the age. You've never seen anything like it before.

This is the greatest free attraction ever offered by a fair in Southern Ohio.

CONSTITUTION MAKING

ARTICLE NO. 14

Either branch of the General Assembly may propose amendments.

It requires three-fifths of the members to pass them in each house. They are to be submitted to the electors on a separate ballot, at either a special, or a general election, as the legislature may direct. They are published for five weeks, preceding the election, in at least one newspaper in each county in the state, where a newspaper is published. If a majority of the electors, voting on the same, adopt the amendments, the same becomes a part of the Constitution. If more than one amendment is submitted at the same time, they are to be submitted so that each shall be voted on separately.

Section 2 provides that two-thirds of the legislature can call a vote for a Constitutional Convention. The vote must be had at an election for members of the General Assembly. If a majority of the electors voting on the proposition, vote for the same, the General Assembly must provide for the meeting of a convention, as its next session. The members are to be nominated by petition, only, and to be voted for on a separate and independent ballot. There are to be as many members as the lower house, and to meet within three months after their election.

Section 3. At the general election in 1932, and each twentieth year after, the question of a convention is to be submitted to the electors and a majority of those voting on the proposition, requires the calling of a convention, but all amendments must be ratified by the people before taking effect.

The above measure passed without any negative vote and without any discussion. It was much an improvement over the old Constitution that every one voted for it.

It does away with that legalized newspaper graft of the present Constitution, which requires six months publication in one newspaper in each county, and with the requirement of an affirmative vote of a majority of all the electors voting at the particular election to adopt.

In all other respects, the proposition is like that in the present Constitution. Mr. Marriott, of Delaware, was in favor of a Commission of nine to fifteen experts to be selected at stated times, or when required by the legislature to meet and revise the Constitution and report thereon. The measure was referred to the Committee on amendments, but was not reported out favorably.

The writer submitted the following proposition as to amendments.

ARTICLE 14

Section 1. Any proposed amendment may originate in the Senate, or House of Delegates. If it receives the vote of a majority of all the members of each body it shall be submitted to the Supreme court to determine if it be in harmony with the principles of this Constitution, and free from Constitutional objection. If the court approves it, the measure shall be advertised for three weeks in at least two newspapers i neach county, of opposite politics, and shall be submitted to the people at the next regular election following its adoption by the legislature. A printed copy of each proposed amendment shall be furnished by the Secretary of State to each elector, who, by mail, requests it.

If at the election on amendments a majority of those voting on any amendment, vote for it, it shall be adopted.

Section 2. Two-thirds of the members of each House of the Legislature may, by joint resolution, approved by the Governor, call upon the electors at the next election to vote whether a convention be called to revise the Constitution. If a majority of th electors voting on the proposition, vote for it, the Legislature shall provide for calling and holding such Convention, which shall be composed of as many members as the House of Delegates, and elected in the same manner.

Section 3. Every to sworn, the question shall be submitted to the people, of calling a Convention to revise, alter or amend the Constitution, or to make a new one. If at such election a majority of those voting on the proposition, vote for the same, then the Legislature shall provide for the holding of such a convention.

Section 4—Citizens of the state, over twenty-one years of age, equal to twenty per centum of the number of voters at the previous annual election, may petition for the adoption of any Constitutional Amendment. The verification of such petition, and the manner of preparation, the circulation, and all the other details, shall be provided for by law. Such petitions shall be presented to the Governor and filed in the office of Secretary of State. The latter officer shall ascertain if the measure presented has the requisite number of qualified petitioners. If he so finds, he shall refer the amendment to the Supreme court. If it approves the same as in harmony with the principles of this Constitution, it shall be advertised as Constitutional Amendments submitted by the Legislature and submitted to a vote of the people at the next regular election. If a majority of those voting on the proposition vote for it, it shall be declared adopted in the same manner as other amendments herein provided for.

The above plan requires only a majority of the legislature to submit amendments, but after passing the legislature, they were to be approved by the Supreme court as in harmony with the principles of the Constitution in force. They were to be advertised for three weeks, in each county, in two newspapers of opposite politics and were to be voted on at the next regular election. It required a majority of those voting on each amendment to adopt it.

Two-thirds of the legislature, on a bill approved by the Governor could submit a vote for a Convention, to have as many members as the lower house.

The question of a Convention was to be submitted every ten years and that question was to be caused by a majority of those voting thereon.

Section 4. Twenty per centum of citizens of voting age might petition for the adoption of any constitutional amendment. That, of course, included women and was so intended. If the requisite number signed the petition it was referred to the Supreme court, and if that court approved of it as in harmony with the constitution, it was to be advertised as those amendments submitted by the legislature, and submitted at the next regular election.

A majority of those voting on the amendment adopted it.

By this plan no revolutionary amendment could ever be voted on, either proposed by the legislature or the people.

The principle that a majority of those voting on a proposition adopt it is the correct principle. No man's vote should be counted for or against a proposition when he does not vote on it.

Constitutions should be made easy of amendment so that the people can have the organic law as they want it.

Our Federal constitution is now a great curse for want of amendability, and some day we may have a revolution in order to obtain amendments.

The time is coming when we must have uniform qualifications for electors in all the states and when the control of the right to vote by the states must be taken upon them and exercised by the government. Then again, the election of congressmen every two years is most injurious to the country. We can have no settled policy under that plan. We are in a constant turmoil. In Ohio we will soon be spending a million of dollars a year in elections and not getting ten cents in good as a result. The election of president every four years has proven a great drawback to economic prosperity and has retarded it very much.

The parties in 1908 spent $2,276,162 in the election of president. The Democratic party spent $620,644, and that was all lost, practically, gambled away, and what is the use or necessity of changing the president every four years? Whom does the change benefit? Nature has indicated that a man fit for a portion remains fit so long as his efficiency continues, and the Pensylvan ia Railroad company and the Bank of England follow that plan and they are the two greatest corporations in the world and the most successful. Why not learn something from them?

The condition of our national Federal government is deplorable. We cannot have any great national systems like Great Britain's recent insurance act. We are in chains and slavery to the states rights doctrine at doing things and having 48 systems at work to accomplish things where one would answer. Any move that permits easy amendment of the organic law to be commended and therefore the proposition presented to us by the convention ought to receive maximum support.

Mr. Stariack Smith, of Cincinnati, was chairman of the committee which presented the unanimous report in its favor, and he was one of the ablest and most thoughtful and studious members of the convention. He did the very best which could be done under the circumstances. The convention approved his work of his committee without division and the people should do the same.

SERMON BY REV. ATKINSON

Rev. J. W. Atkinson, of Manly church, held a large congregation in closest attention Sunday evening when he delivered his first illustrated sermon on the "Life of Christ." He gave a brief introductory of the sermons, which were to follow each Sunday until the five were completed. The sermon Sunday evening was "In the Wilderness; With His Last Problem." The pictures gave a presentation of the birth of Christ, his early training, environments, wilderness, temptations, baptism and the first miracle.

SPELLING BEE AT MANLY

There will be something doing at Manly church next Thursday evening. Dictionaries have been at a premium in the different book stores for several days, and the old-fashioned spelling book has been taken from the dusty shelves, all because the ladies of the Manly Aid Society has challenged the members of the Men's Sunday School Class to an old fashioned spelling match. The event will be held Thursday evening in the basement of the church, and the men say politeness will be left at home, and they will do all in their power to defeat the ladies.

ORDINANCE

Number 1792

Determining to proceed with the improvement of the Kendall Avenue railroad crossing by altering and abolishing same by substituting a new way under neath the railroad tracks instead of the present crossing at grade.

Whereas, on April 15, 1912, the Council of the City of Portsmouth, Ohio, duly passed Resolution Number 2464, declaring the necessity and the intent of the City of Portsmouth, Ohio, to join with the Norfolk & Western Railroad company and the Baltimore & Ohio Southwestern Railroad company in the alteration and abolition of the grade crossing of Kendall avenue in said city over the tracks of said railroad companies, said stating the manner in which the alterations are to be made, the method of constructing the new crossing, with the grades for the railroads and the public way, by whom the work of the construction is to be done and how its cost is to be apportioned between the municipality and the railroad companies; and

Whereas, said resolution was duly published and notice of its passage given to owners of property abutting on the proposed improvement, as provided by law; and

Whereas, the Council of said city thereafter determined that it would proceed with the proposed improvement.

Now, Therefore, Be It Ordained by the City Council of the City of Portsmouth, Ohio, as follows:

Section 1. That it is hereby determined to proceed with the improvement of the Kendall Avenue crossing by altering and abolishing same and substituting a new way therefor as follows:

The present tracks of the Norfolk & Western Railway company and the track of the Baltimore & Ohio Southwestern Railroad company are to be raised so that the rail of the track shall be at elevation 534.5 (sea level datum), and an undercrossing constructed over and across the right of way of the railway companies, beneath their tracks with a clear head room of 14 feet and a width of driveway of 32 feet, with sidewalks on either side 7 feet 5 inches. The approach grades to said undercrossings beginning here street by grading, setting curbs and gutters, constructing the necessary drains and retaining walls and paving the roadway with vitrified or hard burned brick, in accordance with Resolution Number 2464, passed on the 15th day of March, A. D. 1912, in accordance with the plans, specifications, estimates and profiles heretofore approved and now on file in the office of the Director of Public Service and designated therein as 9-C-13.

Section 2. That all claims for damages resulting from said improvement shall be judicially inquired into after the completion of the proposed improvement.

Section 3. That the whole cost of said improvement, less one-fifteenth thereof, and the cost of street and alley intersections shall be assessed by the foot front upon all the lots and lands abounding and abutting upon said proposed improvements, which said lots and lands are hereby determined to be specially benefitted by said improvement and the cost of said improvement shall include the expense of the preliminary and other surveys, and of printing and publishing the notices, resolutions and ordinances required, the serving of said notices, the cost of construction, together with interest on bonds issued in anticipation of the collection of deferred assessments, and all other necessary expenditures. That the assessments so to be levied shall be paid in ten annual installments with interest on deferred payments at the rate of four (4) per cent per annum, provided that the owner of any property assessed may at his option pay such assessment in cash within thirty days from and after the passage of the assessing ordinance, in which case said cash assessment shall not include any item of interest upon bonds to be issued in anticipation of the collection of deferred assessments. That bonds of the City of Portsmouth, State of Ohio, shall be issued in anticipation of the collection of assessments by installments and in an amount equal thereto. That the remainder of the entire cost of said improvement not specially assessed, including the cost of street and alley intersections, together with the cost of any real estate or interest therein, purchased or appropriated, and the cost and expense of any appropriating proceeding therefor and damages awarded any owner of adjoining lands and interest therein, and the cost and expense of any such award shall be paid by the City of Portsmouth, State of Ohio, out of the proceeds of the sale of bonds to be issued by said city for such purposes in the manner provided by law.

Section 4. That the following lots and lands shall be assessed for said improvement as above determined, to-wit: All lots and lands abounding and abutting upon said proposed improvement on Union street from the north line of Fifteenth street to the south line of Thirteenth street.

Section 5. That the Director of Public Service be and he is hereby authorized and directed to make and execute a contract for said improvement with the lowest and best bidder after advertisement according to law.

Section 6. This ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed August 7, 1912.

Section 1. That it is hereby determined to proceed with the improvement of Union street from the east line of Hutchins street to the west line of Young street, by grading, setting curbs and gutters, constructing the necessary drains and retaining walls and paving the roadway with vitrified or hard burned brick, in accordance with Resolution Number 2470, passed on the 4th day of March, A. D. 1912, in accordance with the plans, specifications, estimates and profiles heretofore approved and now on file in the office of the Director of Public Service and designated therein as 9-C-93.

Section 2. That all claims for damages resulting from said improvement shall be judicially inquired into after the completion of the proposed improvement.

Section 3. That the whole cost of said improvement, less one-fifteenth thereof, and the cost of street and alley intersections shall be assessed by the foot front upon all the lots and lands abounding and abutting upon said proposed improvement, which said lots and lands are hereby determined to be specially benefitted by said improvement, and the cost of said improvement shall include the expense of preliminary and other surveys, and of printing and publishing the notices, resolutions and ordinances required, the serving of said notices, the cost of construction, together with interest on bonds issued in anticipation of the collection of deferred assessments, and all other necessary expenditures. That the assessments so to be levied shall be paid in ten annual installments with interest on deferred payments at the rate of four (4) per cent per annum, provided that the owner of any property assessed may at his option pay such assessment in cash within thirty days from and after the passage of the assessing ordinance, in which case said cash assessment shall not include any item of interest upon bonds to be issued in anticipation of the collection of deferred assessments. That bonds of the City of Portsmouth, State of Ohio, shall be issued in anticipation of the collection of assessments by installments and in an amount equal thereto. That the remainder of the entire cost of said improvement not specially assessed, including the cost of street and

Officer Stokely Gets An Accused Forger

Officer Joe Stokely made a clever catch Monday noon in arresting Thomas F. Morrison, a blacksmith of Welch, W. Va., wanted at that place and at Huntington for alleged forgery.

A Pinkerton detective had come here on a hunt of Morrison. He called at police headquarters with a description of Morrison and a photograph of the man and his family. As soon as Stokely looked at the picture he declared he knew just where to find the man wanted.

Accompanied by the detective, he went straightway to Abe Mayer's liquor store. A man employed there as a porter, and under the name of T. F. Morris, was summoned to one side. Reaching for his hand Joe saw instantly he had a scar as described and placed him under arrest. The detective also recognized him by another scar on the head. Morris admitted his identity and asked the officers not to handcuff him. They refused to take chances on him escaping, and he was locked up at the city prison. The Huntington authorities were communicated with and they promised to send an officer after the prisoner.

Morrison is wanted at Huntington for alleged forging a $50 and $40 check on the Huntington National Bank, a $75 check on A. Gill, Guyan merchant, and also for alleged embezzling $300 of the Welch, W. Va., Lodge of Odd Fellows, and for passing bogus checks on Hudson Bros., saloon men of Welch.

Morrison is an Odd Fellow, a member of the Knights of Pythies and Modern Woodmen, and up until six months ago, when he began drinking, bore the best kind of a reputation. He has a wife and two children, and although she is reported making preparations to sue for divorce, letters from her were found in his possession when arrested. Morrison left Welch April 18, and for the past two months had been working in Will Shockert's blacksmith shop at Rushtown. A week ago he came to Portsmouth and entered Mr. Mayer's employ.

BULL MOOSE MEN HELD A CONFERENCE

(By United Press.)

Cleveland, O., Aug. 12.—The Bull Moose was feeling his way cautiously through the tangled thicket of Ohio politics today. He was sniffing the wind for danger in the launching of a full state ticket. James R. Garfield, chief Ohio Moose, sent practically the entire morning in conferences over the Ohio situation. J. J. Sullivan, co-member with Garfield on the committee, talked over the situation at length. A meeting of the committee will probably be called for Thursday, after which definite action will be taken. Regarding the resignation of Walter Brown and his followers Saturday, Garfield said: "The result at Columbus is just what we hoped would happen."

SHOT WIFE, THEN SELF

(By United Press.)

Pittsburg, Pa., Aug. 12.—After shooting and killing his wife and fatally wounding his 18-months-old daughter, Frank Kenyon sent a bullet through his own heart, dying instantly. The tragedy took place in a hotel near the Union station, where the trio registered last night from Turtle Creek, Pa. No reason for the shooting is known.

COMMUTED SENTENCE

(By United Press.)

Washington, Aug. 12.—With the seven-fold example of legalized murder in the Sing Sing prison before him, President Taft this afternoon announced that he would commute to life imprisonment the sentence of death imposed on Nettie Lomax, a colored woman, convicted of murdering her husband. The woman is said to be dying of tuberculosis.

SUBSTITUTE ACCEPTED

(By United Press.)

Washington, Aug. 12.—By a vote of 37 to 21 the Senate this afternoon adopted the Senate substitute for the House provision in the postoffice appropriation bill to extend aid to the state in the improvement of highways. The House provision contemplated a scheme of Federal aid with an annual appropriation of $15,000,000.

LAST WEEK OF DARROW TRIAL

(By Associated Press.)

Los Angeles, Cal., Aug. 12.—Beginning today the trial of Clarence S. Darrow passes into the final week, it is believed by many who have been following it closely. District Attorney Ford was engaged in the opening session in closing up the prosecution's case. Darrow himself is expected to consume the greater part of the day on the stand in his own behalf.

Going After Ice Men

"Say, you Times man, tell the people that hailstones are being deposited on many porches for pieces of ice," said John Zeune Monday to a reporter.

"And say that I am going to break up this short weight business. Why, I weighed lumps of ice today that were fom six to eight pounds under weight," said Mr. Zeune, who has served notice on the firms that hereafter all ice sales must be made according to law, a 20-pound piece must weigh this amount and not 14 and 16 pounds.

Mr. and Mrs. Albert Wurster, Mrs. Mary Severs, Mr. Will Miller, Miss Grace Barney of this city, and Mrs. Catherine Bumgarner of Piketon, motored to Chillicothe Sunday and spent the day there with friends.

OBITUARY

Clara Bennington.

Clara, the year-and-six-months-old child of Mr. and Mrs. Harry Bennington, of South Webster, died Sunday evening, after a short illness with cholera infantum. The remains were interred at South Webster Monday afternoon. Mrs. Bennington, mother of the little girl, is critically ill with typhoid pneumonia.

Robert Schleinhege

Death ended the sufferings of Robert, the four year old son of Charles Schleinhege, a city salesman for B. Augustin, Jr.'s wholesale grocery, at the family home on Ninth street Saturday evening. The child was afflicted with brain trouble and had been an invalid since birth. Besides the parents he is survived by one sister and two brothers. The funeral will take place from Holy Redeemer church Tuesday morning at 9 o'clock.

Dr. J. A. Van Vleck

Concerning the death of Dr. Jay Addison Van Vleck, prominent Gallipolis dentist, mention of which was contained in telegraphic dispatches in Saturday's Times, the Gallipolis Tribune has the following to say:

"Dr. Jay Addison Van Vleck, of upper First avenue, died at half past seven o'clock Saturday morning.

"The time of the funeral services has not yet been determined upon, but will be on the arrival of his son, Dr. Eugene Van Vleck from Huntington. The burial will be at Pine street cemetery, where many of his relatives are buried.

The Doctor had been bedfast for three weeks with a dropsical affection, complicated with the infirmities of old age. He received every care and attention from his son Samuel and friends, who at this time are about worn out with fatigue, for in the past three weeks he has been perfectly helpless and his wife also.

"Dr. Van Vleck was born in Madison county, New York, 80 years ago the 25th of this month. He had brothers, John, Samuel, William, Edward and Dorsey, and one sister who married and lived in Portsmouth. He was the last of the family to survive.

"He left New York and came to Portsmouth when 10 years of age, going thence to Marietta and returning, located in Gallipolis the same year as a weaver, that being his trade and occupation.

"He was united in marriage soon after coming here to Miss Mary McNeal, who survives him, though in feeble health, and they became the parents of ten children. Two died in infancy. He is survived by three sons, Samuel, of this city, Dr. John Van Vleck, of Los Angeles, Cal., and Dr. Eugene Van Vleck, of Huntington, and one daughter, Mrs. J. A. Reynolds, of Addison, this county."

Crave Ruark

Mr. Crave Ruark, an old soldier of Lewis county, Ky., died Saturday morning at the age of 83 years. He resided at Coredale, Ky., 2 1-2 miles south of Concord. Mr. Ruark was a veteran of the civil war and his interesting stories of those days of hardship were always fresh in his mind, and he told them to the old and young.

Mr. Ruark was an uncle of William Ruark, of Eighth street, this city, and a cousin of the other Ruark families residing here.

Mrs. Charlotte Mohl

It develops that Mrs. Charlotte Mohl, brief mention of whose sudden death at Middletown was made in Saturday's Times, succumbed to an attack of uremic poisoning.

Mrs. Mohl had been in poor health for some time past on account of dropsy. She joined her husband, Harry Mohl, well-known mill man, at Middletown, in May. Besides the husband she leaves one son, Harry, aged 10 years.

Mrs. Mohl was 34 years of age and a daughter of Mrs. Charlotte Redepenning, of West Tenth street. She is survived by the following brothers and sisters: John and Charles Redepenning, Mrs. John Hoss, of Wilmingport, O., and Fredericka, at home. She was a member of the German Methodist church. In the absence of Rev. F. J. Bauman the funeral services, which were held at the Redepenning family home, No. 1632 Tenth street, were conducted by Rev. W. C. Hartinger, Monday afternoon.

Edward S. York

Edward J., four-year-old son of Mr. and Mrs. Tom York, of New Boston, died Sunday afternoon. The tot had been sick for more than a year and the immediate cause of his death was purulent perelitis.

The parents and two children survive and they have the sympathy of many friends in their sorrow.

The funeral will be held Tuesday from the home.

Arm Was Broken

Harry King, a motorcyclist from Huntington, was thrown from his machine as he was speeding out the Chillicothe pike Sunday and his right arm was broken. The accident occurred within a few yards of where Horace Small had his smashup.

SOCIETY FASHION

A courtship which began only a few months ago, reached its climax Sunday, when Mr. Charles Spratt was married to Miss Bessie Bramlett, the ceremony being said by Rev. T. H. McAfee at 2 o'clock, at the home of Mr. and Mrs. Joe Diener, 315 Third street, in the presence of relatives and a number of intimate friends. The wedding came as a great surprise to most of the guests, who had assembled at the Diener home in response to invitations, presumably to participate in a celebration in honor of the thirty-seventh birthday anniversary of Lou Matthews. Following the ceremony, the two events were celebrated, the time being spent in making merry, and at 6 o'clock a sumptuous dinner was served to the guests.

Mr. Spratt, who is a native of Richwood, Ohio, is the popular undertaker at Lynn's, and is a splendid young man, while his pretty bride is an estimable young woman of South Portsmouth.

Among the relatives of the contracting parties present were his father and aunt, Nathan Spratt and Mrs. Minnie Williken, of Richwood, Ohio, and her brother, William Bramlett, of South Portsmouth. The attendants were Mr. Hoyt Smith and Miss Louise Bassler.

Friends will hasten to extend congratulations to the happy couple, who will go to housekeeping in apartments on Market street. They were the recipients of several valuable wedding presents.

Mr. and Mrs. Jos. Schmidt, of Washington street, left Monday for Columbus, to attend the silver wedding anniversary of his parents, Mr. and Mrs. John Schmidt.

Ed. Steahley and bride, nee Nora Bruch, have returned from their honeymoon trip, and are now comfortably domiciled in their elegant new home in the Hilltop district.

Mrs. Walter Chick and children left Sunday for a visit to relatives and friends in Columbus.

Walter Bihlman and Miss Flora Bihlman, of the Boulevard, left Saturday for a visit to relatives in Chicago and Indiana Harbor.

Mrs. Vigus and daughter, Miss Marie Vigus, of Zanesville, are visiting Frank Bihlman and family, of the Boulevard. It is their first visit here in fifteen years.

George Sheppard, well known former Portsmouth citizen, and daughter, Mrs. Milton Jewell, arrived here from Marseilles, Mo., Saturday night. The former is a guest at the home of his former neighbor, Fred Hunter, of Third street, while Mrs. Jewell has taken apartments on Eighth street, while undergoing medical treatment for the next few weeks.

The art department at the Lucasville fair this week will be very elaborate and interesting to hundreds of women who enjoy seeing exquisite embroideries, fancy work and paintings. Not only will it be of interest to women, but the men will enjoy the fruit and other exhibits which will be on display. Entries in the art department will be received the first day of the fair. Miss Clara Waller, who has the department in charge, will attend to the entries on the first day only, as nothing will be received after Tuesday evening.

Miss Lucy and May Dunn, of Portsmouth, are the guests of Mrs. Ed Feuchter, of South Seventh street. They will be accompanied home by little Miss Helen for a short visit.—Ironton Register.

Otto Kress, a brother of Carpenter Henry Kress, of Harvard Place, arrived here from Cleveland, Saturday night, enroute to his old home in Buena Vista for a visit. He is accompanied by his wife and they are now visiting his aged mother, Mrs. Julia Kress. Mr. Kress is in the undertaking business at Orleans, Ind. He has been located there the past four years. Previously he was located at Memphis, Mich., for twelve years. Mr. and Mrs. Kress before coming here visited Memphis, Port Huron and other points along the Great Lakes.

SOME OF THE NEWEST PANNIERS

FROM BONWIT TELLER & CO FROM MAISON MAURICE
NOTES BY JOEL FERRY

For debutante wear was designed this dainty summer evening frock of pastel striped taffeta in cream and pale green. The quilting around the skirt edge is quaint and old fashioned, but very modern. The skirt has also a drapery at the back and sides in pannier effect. With this costume are worn black satin slippers which are trimmed with a buckle and strap button. The buttons as well as ornaments on the slippers are rhinestone brilliants. In this new pannier costume by Premet a lady looks new and modish also. The marvellous combination of slimness and bouffancy has been achieved. The pannier, widened by means of a hoop, falls over a band of lace which confines the skirt in narrow lines. The sleeves are particularly chic.

Tells Graphic Story Of Steamer's Sinking

The steamer Steel City, enroute from Cincinnati to Pittsburg, hit a rock in trying to make a landing at Vanceburg, Sunday afternoon, the impact of the collision ripping a big hole in her hull, which rapidly filled with water.

Among the passengers on the vessel were Mr. and Mrs. M. F. Foster, of Seventh street, this city, who were returning home from a visit with relatives at Sandy Springs. They finished their journey by rail, arriving home on the C. & O. accommodation Sunday night.

To the prompt action of the steamer's officers in steering the boat straight for the shore, Mrs. Foster says is due the fact there was no panic on the boat, and possible loss of life.

Concerning the accident Mrs. Foster said: "My husband and I got on the boat just a short time before the vessel hit the rock in attempting to make a landing at Vanceburg. The accident happened about 3 o'clock, and was caused by the boat being caught in a windstorm and was driven against the obstruction, ripping a big hole in her hull, which rapidly filled with water.

Boat Shot To The Bank.

The passengers were not apprised of the accident, but instead, the officers acted quickly and shot the vessel with all speed to the Ohio shore, landing on a sand bar, permitting the 150 passengers to get off in safety, while most all the cargo was saved.

It all occurred so quickly that few of the passengers knew what was going on, until just before the vessel reached shore, and then considerable excitement ensued and one woman fainted.

Five Feet of Water In Engine Room.

The stern of the boat sunk in fifteen minutes after reaching shore, until there was water to a depth of five feet in the engine room. It was lucky that the water was not at high stage, as serious results would have certainly followed. Not a single person was hurt and little of the cargo was damaged.

Many of the passengers were sent home by rail, while others went back to the disabled boat and will remain there until the arrival of the Queen City, which has been dispatched to the scene and will continue the trip."

Many Waited Here In Vain.

The Steel City left Cincinnati Saturday night for Pittsburg, and was due to reach Portsmouth about 6 o'clock Sunday evening. A number of persons who expected to leave on the vessel, waited in vain at the Biggs House corner for her to come.

The Steel City is the hoodoo boat of the Cincinnati and Pittsburg line. The steamer is the old Virginia, which seldom made a trip without meeting with some sort of an accident, the last one occurring nearly two years ago, when it ran into a cornfield near Ravenswood, W. Va., and broke in twain. The craft was repaired at big expense, and when it was again ready to leave the docks, it was christened the "Steel City" on account of the hoodoo which seemed to pursue it under the old name.

Steamer Will Be Repaired.

The Pittsburg office of the company was notified of the accident by telephone, and workmen will be sent to make the necessary repairs to get the vessel into the docks at Point Pleasant.

Captain Pennyweight, of Manchester, was in charge of the boat when the accident occurred.

Boys Are Walkers

Master Arthur Young, of Grandview avenue, Portsmouth, and Russell Williams, of Fifteenth street, walked to Ironton yesterday and returned today. At early dawn they stopped at Mrs. Vic Storer's home in New Boston and ate a hearty breakfast, then went on their way. Mrs. Storer is Arthur's grandmother, and aunt to Russell Williams. The boys will soon make the trip to Columbus on "Walker's coach."

Mrs. C. V. and Miss Gertrude Luther were guests of Mrs. Victor Storer, of Rhodes avenue, Sunday.

CAPT. EVANS' ARTICLES ARE GIVEN PRAISE

Hon. George W. Harris, of Cincinnati, who is a member of the board of sinking fund trustees, and who was a delegate to the constitutional convention, has written Capt. N. W. Evans a letter, in which he says among other things:

"My Dear Capt. Evans:—It was very kind of you to give me much undeserved praise in your article on 'Municipal Home Rule.' Coming from one who has given such practical evidence of his mastery of many of the principles of government, it is more appreciated. Your article on 'Municipal Government' was unusually well considered and was as unanswerable as it was illuminating. Portsmouth has reason to be proud of claiming you as one of its citizens."

Mr. Harris says that a copy of a report he made on the Taxation Amendment to the Business Men's Club of Cincinnati is to be sent out to every stockholder in public utility and private commercial corporations in Cincinnati. He takes the same view of the amendment as Capt. Evans.

WHO SUFFERS FROM RHEUMATISM

Surely No Reader Of The Times When Wurster Bros. Sell RHEUMA For 50 Cents On Money-Back Plan.

If you suffer from torturing rheumatic pains, swollen, twisted joints and suffer intensely because your system is full of uric acid, that dreadfully painful poison that makes thousands helpless and kills thousands years before their time, then you need RHEUMA, and need it now.

Start taking it today; in 24 hours it will begin to act on kidneys, liver, stomach and blood, and you can sincerely exclaim: "Good riddance to bad rubbish."

Many people, the most skeptical of skeptics right in this city and in the country hereabouts, bless the day when Wurster Bros with characteristic enterprise offered RHEUMA to the afflicted at the low price of 50 cents a bottle. If you have rheumatism, get RHEUMA today.

Gordon Strawn Has Bought Drug Store

The Pure Drug Company has disposed of its East End branch store at Eleventh street and Hutchins avenue, to Gordon Strawn.

The drug store was closed Monday to permit of the taking of an inventory, immediately after which the new owner will be given possession.

Mr. Strawn is one of the most popular and efficient pharmacists in the city, having for the past five years been employed at George Freund's store, and his many friends will wish him unbounded success in his business venture.

C. L. McCarthy Has Trouble In Pueblo

The Times has received a copy of the Pueblo (Colorado) Leader, of August 5th, with the following item marked:

"The criminal case of C. L. McCarthy was heard this morning in Justice Seits court and was dismissed. The judge declared that it had "too much mother-in-law" in it.

"McCarthy was arrested and arraigned before Judge Seits last Monday on a charge of attempting to kill Manager Langdon of the Rocky Ford freight traffic bureau whom McCarthy declared was paying attentions to his wife. He was released on $500 bond for hearing this morning and was dismissed as stated."

McCarthy is believed to be a former Portsmouth resident. There was a man of that name living here a few years ago who moved to the West, and who has a number of relatives here. Whether or not it is the same person is not known here.

Motorcycle Gets The Worst Of Accident

A serious collision between an automobile driven by Mrs. H. A. Maffey and a motorcycle, on which were riding William Scholl, a local machinist and Harry Regan, who is employed by the Portsmouth Steel company, occurred Sunday afternoon at the intersection of Fourth and Chillicothe streets.

Despite the fact that they came together with a resounding crash, and that Scholl and Regan were thrown under the auto, they escaped with minor bruises. The motorcycle was badly damaged, the rear wheel being almost demolished.

Mrs. Maffey and a party of friends had just started out on a short ride, when upon nearing Fourth and Chillicothe streets Mrs. Maffey noticed a motorcycle coming west on Chillicothe street. Mr. Scholl, who was directing the destinies of the motorcycle, thought he had space enough to pass in front of the auto. He miscalculated the speed of the car and it ran into him as he neared the curbing. Both men were thrown to the street and the machine ran upon them, but, fortunately, the wheels did not come in contact with them and they were not hurt.

Mrs. Maffey shut off the gasoline and applied the emergency brake, but it was too late, as Scholl was sending the motorcycle along at a pretty rapid clip. The accident attracted quite a crowd, as it took place when the streets were pretty well crowded. Scholl had to tow his machine to Tide Davenport's shop, where it will be repaired. He lives on Vinton avenue. Mrs. Maffey backed her car away from the scene of the accident and continued her trip.

Corns Removed Without Cutting

The real corn remedy, the one that always does cure, is Putnam's Corn Extractor, which makes corns and callouses go quickly and without the least bit of pain. Goes to the root of the tormentor, absorbs its roots, gives lasting relief and surely removes corns or callouses whether just starting or of many years' growth. The name tells the story, Putnam's Painless Corn and Wart Extractor, price 25c. Beware of dangerous substitutes and buy Putnam's Extractor, which is sold by Fisher & Streich.

No Home in This City Need Have a Dirty, Discolored, Water-Closet Bowl

The household duty that was always the most unpleasant is now made easy. Sani-Flush, a powdered chemical compound, cleans water-closet bowls without scrubbing or touching the bowl with the hands. No matter how badly discolored, it will quickly make the bowl as white as new. It won't injure the bowl or plumbing—nor is it dangerous to handle, like the acids so often used.

Wheeler Was Taken Suddenly Insane

Harry Wheeler, 36, a bartender well known about town, became suddenly insane at the home of his parents on Thirteenth street Sunday forenoon, and grew so violent that his relatives and friends could not restrain him. Through fear that he might injure himself, or others, Deputy Sheriff Pete Smith was summoned to take Wheeler into custody and lock him in the insane ward at the county jail. Later in the day the prisoner was adjudged insane by Judge Beatty and ordered him taken to the Athens state hospital.

Wheeler raved continually throughout the day and well into the night, when he settled down, and Monday morning his condition was much improved. Though a bartender, he did not at any time drink liquor, and his relatives and friends are unable to account for his present trouble. It is said that Wheeler has not been in the best of health for several months and had been working hard. He was employed at the Robert McCoy cafe on Waller street, near the depot.

Wheeler and "Catsy" Sly, who was adjudged insane the other day, will both be taken to the institution probably Tuesday.

Comedian who will be with Vogel's Minstrels at the Grand Thursday evening.

SHOE THIEF CAUGHT

Ernest Foster, aged 17, son of Harry Foster, a lunch wagon keeper, was locked up by Officer Dixon, Monday noon, at the instance of Gen. Supt. Ed Rickey, of the Excelsior Shoe company.

The boy had been stealing shoes from the Excelsior factory and admitted his guilt. While not exactly known how many shoes he took, it is thought that he slipped out about a dozen pairs. He worked at the Excelsior for a short time, but at present is in the employ of the Selby company.

GOOD CROWD AT PARK

The River City band concert in Millbrook park Sunday evening drew the usual large crowd. A feature of the program was a cornet solo by Miss Virginia Gilbert. The band played that universal favorite, "William Tell," with fine effect.

Royal Arcanum will meet on Tuesday evening at Eagles' hall, corner of Sixth and Chillicothe streets. All members are invited to be present.

PLEA IS MADE BY NEEKAMP

Frank Neekamp, Ironton man, against whom the special grand jury, in June, returned three indictments charging perjury, adultery and assault and battery, appeared before Judge Blair Monday and through his attorney, Judge Milner, pleaded "not guilty" in each case, after waiving the reading of the indictments. Neekamp had been out on bond and as the court was not ready to set the case down for trial, he was released on the old bond.

HOME FROM OUTING

The Lawrence county delegation will join the local delegates here next Monday, all going to Dayton on the same train.

Big Crowd At Picnic

A large crowd attended "Shorty" Burnshine's picnic at Camp Pressler, near Lucasville, Sunday. An enjoyable feature of the day's outing was a ball agme in the afternoon. Brewmaster Schneider proved to be the star outfielder of Southern Ohio by successfully losing every ball that came his way.

Files Suit For Labor

An action was filed in common pleas court Monday against Samuel B. Timmonds and others by Fleming Skaggs, who is suing to recover a balance of $49.31 which he alleges is due him for labor in the construction of a dwelling for the defendants in the Timmonds addition.

Skaggs asks for judgment and that his claim be made a lien on the premises. Attorneys George W. Sheppard and N. B. Gilliland for the plaintiff.

FINE SERMON DELIVERED

Rev. Charles E. Turley, of Shawnee, a close friend of Rev. Alfred Hughes, of Bigelow church, delivered a splendid sermon Sunday morning at Bigelow. He spoke on "Going Forward," and his sermon was filled with points that set his congregation to thinking deeply. He told them of Moses leading the children of Israel out of the wilderness.

Rev. Turley says that the good we have in us is there for a purpose, and that we are blessed that we may be a blessing. The struggle to go forward is a hard one, but worth succeeding in. Rev. Turley is distinct in his speech. He holds the attention of his hearers and delights them with the illustrations drawn.

Mr. W. A. Inman spent Sunday with friends in Peebles.

BUILDING PERMITS

Permits were issued Monday to Glen Rardin for $1,000 improvements to his property at Nos. 1652 to 1654 Eleventh street, to J. E. Slump for a new five-room house on Grandview avenue, to cost $1,600, Lincoln Poole for a new six-room house at Eighteenth and Summit streets, to cost $1,700 and to Mrs. Alima Clough for a sanitary sewer tap at the rear of her home on Third street.

Cabbage Snake

H. K. Pack, of the West Side, Monday was rejoicing over the narrow escape he had from eating a cabbage snake over ten inches long. The head of cabbage had been picked from the Pack farm, and was being prepared for the noon meal, when Mrs. Pack discovered the long snake crawling through the leaves.

PROGRAM OF AMATEURS

The following program has been prepared for amateur week at the Temple theatre, beginning tonight:

Monday—Mr. Henry Forsyth, tenor singer, from the University of Kentucky.

Tuesday—Bennett & Carnutte, singers of rag songs.

Wednesday—Miss Alma Davis, Portsmouth's favorite girl singer, and Master Orie Mank, that kid dancer.

Thursday—The Factory Girls' Quartette, songs in black-face.

Friday—Wilson Bros., comedians and dancers.

Saturday—The Hunt Sisters, in songs and talk, and others.

The above are all well known Portsmouth amateurs and are very clever in their line.

Postmaster Charles E. Hard stated Monday that work on the new addition to the postoffice would be commenced this week by Harmon Bros., contractors of Williamsport, Pa. The material will be the same as in the present building. The cost will be $65,000, as this sum has been appropriated by Uncle Sam.

Police Ball Team Issues A Challenge

The members of the police force have organized a ball team and they are out to get the scalps of any first-class amateur team in the city. They prefer to play the Ivory Tops, the victorious Masonic team, and issue a double dare to the Ivory Tops to meet them on the diamond. Officers Albrecht and Roush have the police ball team in charge and they say they will be ready for a game any time within the next two or three weeks.

MEN GAINED A DECISIVE VICTORY

Rev. Brooks Bible class of men defeated Mrs. C. M. Howland's class of women in two points Sunday morning. The men were slightly ahead on attendance and offering, but the ladies carried off the honors in having the greatest number of bibles.

The contests between the senior classes of men and women at the First Christian church are growing in interest, and each week the honors are divided.

Putting On Rubber Soles

Fred Hunter, well known Chillicothe street shoemaker, says plain evidence of the busy times at the Steel plant is found in the big amount of work he is doing in fitting up mill men with rubber soles. They are sort of an asbestos sole, to keep the heat off their shoes.

Coming From Glen Springs

Harry Williams and R. A. Gilliland will return tonight from Glen Springs, where they have been rusticating for the past month.

Transcript Is Filed

A transcript of record in the case of Thomas Montgomery against Mert Bibby, from the docket of Squire Orin Veazey, of Nile township, was filed in the common pleas court Monday. Montgomery sued to recover $16.25 which sum he alleged was due for labor but he lost out in the lower court and now he is appealing from that judgment.

Plant May Move

The Chamber of Commerce of Huntington, according to the Huntington papers, may induce the Scott Knitting Company, of this city, to move their manufacturing plant to that city in the very near future.

A meeting of some of the stockholders of the Scott Knitting Co., was held this morning but no action was taken on moving the plant. Mr. Henry Heer states to The Times that the matter will be settled later and at present there was nothing to give out to the public.

For some time the Scott Knitting Company has had difficulty in securing female help and they believe the move to Huntington will be of great benefit along that line.

Several Huntington citizens, belonging to the Chamber of Commerce, visited the plant here last week and were impressed with the work done by the company. They submitted their report to the meeting of the board held Friday night and the matter was referred to the committee on new industries.

Damage Suit To Be Tried

The case of Leonard Nichols against the N. & W. for damages was added to the causes to be tried to a jury in common pleas court. The case will come to trial October 10. The opposing attorneys are James S. Thomas and Bannon & Bannon.

Socialist To Speak

Dr. Walter Scott, the Socialist orator, will speak at the corner of Eleventh and Waller streets, tonight. Dr. Scott is a prominent negro and is a resident of Findlay.

Miss Muriel Nourot has accepted a position with Hall Bros., local clothiers, and will take charge of the firm's office. Miss Nourot was formerly employed by the Haas Clothing company.

WAS TAKEN HOME

Relatives of Harry Wheeler, the bartender, who was adjudged insane in the local probate court Sunday were adverse to allowing him to be taken to the Athens state hospital and Monday afternoon demanded the custody of the prisoner. Their request was granted by Judge Beatty as the statute makes such action mandatory and Wheeler was allowed to accompany his father, Henry Wheeler, home. They are confident he will rapidly recover under treatment at home.

SOME WARM, THANK YOU

The temperature took a few leaps in an upward direction Monday, the maximum being 91 at 3 o'clock. There was a fine old sun shower at 2:30, big drops of rain falling with the sun shining in all its glory.

Trinity Bible Class Smashing Records

The attendance in the big Men's Bible Class at Trinity Sunday morning was 170, a gain of 54 over the 1911 record, when only 115, and "Hen" Lorberg answered "Here." On the first two Sundays of this month the gain is 146 over the corresponding Sundays of August, 1911. That's going some, eh?

Mrs. W. H. McCurdy, Jr., one of the most gifted and prominent workers in the Trinity Sunday school and church, and the three talented daughters of Mr. and Mrs. McCurdy, Mrs. Enola Searl and Misses Carol and Claudia, lent their gracious presence at the opening of the session, and assisted much in the song service, which as usual was conducted by Prof. John McMillan, Mr. Pake presiding at the piano.

After the regular song service, the ladies sang in an impressive manner, "Oh, Praise Him." Their singing was the big feature of the session and was greeted with a storm of applause. After the lessons, the ladies by request, sang for the entire school.

Teacher James H. Finney, always able and eloquent, was unusually interesting Sunday. One reason for Mr. Finney's great success as a teacher, and that puts him in a class all by himself, is that he never goes back to the time of old Noah and the Ark in a vain endeavor to infuse life into those old, old characters who were dust over 2,300 years before Christ was born, but he uses modern methods, and never fails to send you away with a thought ringing in your mind that will abide with you for many days.

Sunday morning Mr. Finney placed Vernon Davidson, manager of Anderson's big shoe department, in the limelight before the class, and Vernon made a good subject. Mr. Finney began by asking how many members had fought in their younger days, and how many had an older brother to fight their battles for them, and then came the story of Vernon and his boyhood battle. When Vernon was quite young and golden locks covered all of his head he had a boyhood chum who was won't to impose on him, something fierce. One day Vernon's cousin came to visit him, and counting on his help, Vernon rebelled against the authority of his chum and started in to give him a regular jim dandy "licking," one he could remember all the rest of his days. But the cousin fluked and the consequences were that Vernon not only failed to "lick" the other fellow, but got the all fired worst licking you ever heard of. Mr. Finney then emphasized the fact that Christ was an elder brother who would aid us in the storms of life if we would only stand by him and remain steadfast and true.

Another big feature was the rolling of the famed "steam roller" again and again over our esteemed friend and co-patriot, Col. Geo. L. Pake. This makes about the 'steenth time Col. Pake has indulged in this pastime, and there are a lot of fellows up there who think it necessary for his well-being.

One thing that is causing much amusement to the members of the class is the way Hon. Frank Appel, superintendent of schools, dodged the session yesterday. It will be remembered that Mr. Appel was artistically "rolled" by the steam roller last Sunday a week, and Sunday he subbed as teacher for Mr. Breece's class, to have an excuse to stay away. Wow! And everyone thought Mr. Appel had more of that ingredient—spunk.

Mr. John T. Breece is sure an apt pupil when it comes to figures. Mr. Breece reported an attendance of 50 in his class, and when asked to subtract that number from 170, smilingly said it left "23." Huh!

Captain Geo. S. Carroll was one of the pleasant visitors. Mr. Carroll is one of the big men in the German M. E. church, and came up to get "some pointers." Sure, he got 'em.

During the absence of Mr. L. C. Bragdon, the singing master of the Sunday school, Rev. W. C. Hartinger, is filling the position, and most acceptably. When the able minister, who is ambidextrous, gets into action, he can perhaps pull more music from a crowd than any man you may meet in a week's travel.

Simple Truth

You can only do clean washing with clean soap. You know that cocoanut oil, borax and naptha are natural cleansers and sterilizers, and that they can't harm fabrics. Easy Task Soap is the only one that combines these scientifically, and for that reason it cuts washday work in two and does the work better than it ever has been done. Ten cents to test it; money back quickly if it isn't what is claimed for it.

TO OBSERVE FEAST DAY

The feast of the Assumption, a holy day of obligation in the Catholic church, will be observed at St. Mary's and Holy Redeemer churches, Thursday. First mass for the benefit of working people will be said at 5 o'clock standard time.

Delegates Named

The Scioto County Federation of Catholic Societies held a special meeting in St. John's hall Sunday afternoon. Jacob Yinger, of Long Run, and George Beckstedt and John T. Walters, of this city, were named as delegates to the national convention, which will begin at Louisville, Ky., Sunday, August 18th.

S. O. V. WILL INITIATE

The Gen. Jacob H. Smith Camp, Sons of Veterans, will meet at the hall in Security Bank building Wednesday evening. Some new members will be taken in and several applications presented. Aside from this there are some vacancies in the offices of camp and nominations to fill those will be made.

The new division commander, F. W. Combs, of Marietta, will visit the camp in a few weks, and may come Wednesday. Lieut. Col. Park F. Yengling, of Salem, who commands the Ohio Division Sons of Veterans Reserves, or Military rank, has also promised to visit the camp soon, and the members are trying to get the camp in tip-top shape for their inspection, and at that they do not fear even the coming of the commander-in-chiefs, as the camp is in splendid condition, nicely equipped, and prosperous. All members are urged to come early. Recruits or new members, report at hall by 8:30, if possible.

THE TRUE TEST

Tried In Portsmouth It Has Stood The Test

The hardest test is the test of time, and Doan's Kidney Pills have stood it well in Portsmouth. Kidney sufferers can hardly ask for stronger proof than the following:

Francis M. Huffman, 95 East Fourteenth street, Portsmouth, O., says: "I cannot say too much in praise of Doan's Kidney Pills. Before I used this wonderful remedy I could barely hobble around the house on crutches. After I had taken it I threw away my crutches and once more walked erect, a cured and well man. Kidney trouble came on me unawares, and before I realized it I was in its grasp. I had to be assisted up and down. I could not tie my shoes. At night I was racked with pain and in the morning would be assisted up feeling about as bad as it is possible to feel. My kidneys were in bad shape, being sluggish almost to the point of suppression. I doctored and used different remedies without relief. Finally I read in the papers about Doan's Kidney Pills. I commenced using them and the result was wonderful. I improved from the beginning of the treatment, and when I had taken ten boxes of the pills, was cured. I have not had any return of the trouble since and am glad to say my health is fine, in fact, it could not be better. (Statement given in 1904).

ADDED PRAISE.

When Mr. Huffman was interviewed on October 5, 1911, he said: "I gladly confirm the testimonial I gave in 1904 recommending Doan's Kidney Pills. Everything I said praising them was true."

Contract Is Signed For Hibbs Co. Home

Confirmation of the news printed in The Times, that The Hibbs Hardware Company will move up town and will occupy a building to be erected for the firm on Sixth street by Irving Drew, has been given by a contract signed up Saturday night at a joint meeting of the directors of the company and Mr. Drew.

Members of the firm and Mr. Drew left Monday to inspect various hardware plants in Ohio. Ideas gathered on the trip will be incorporated in the building which Mr. Drew is going to erect.

It will be a handsome fire-proof, four-story building, modern in every detail, and will give the Hibbs Hardware Company what it has long desired, a more central and more conveniently arranged home. The plans and specifications will be prepared by Architects Richards, Bulford & McCarthy, of Columbus. The lot, which is 67 by 107, will be surveyed Tuesday by Sam Harper, city engineer.

Maccabees Benefit

The Maccabees had charge of the Airdome on Saturday night and the order received a neat sum for its share of the receipts. A trio, composed of Houston Rickey, Red Williams and Oscar Clemmens, rendered splendid vocal and instrumental music.

MR. RIDEOUT AT MEET

Supt. F. F. Rideout, of the local B. R. Y. M. C. A., left Monday for Silver Bay, N. Y., where he will attend the annual meeting of the National Y. M. C. A. institute.

Mr. Rideout was accompanied by his family and they will not return until August 30.

RAIN ENDED FAST GAME

Rain put an end to the game between the Bonafiddle Stars and the Ohio Farmers at Dennis P. O., Sunday afternoon. It was in the first half of the fourth inning that a shower came. The score stood 2 to 1 in the city team's favor, but the Farmers were at the bat with no one out and a man on third base.

Contracts Are Let

The school board, at a brief session held Saturday night, awarded the contract of equipping the High school building with shades to Marting Bros. & Company.

The Sackett Light and Supply Company, of Columbus, were awarded the contract of furnishing part of the building with electrical fixtures.

The building and repair committee was empowered to buy the office furniture and the equipment for the basement.

Shine Shop Is Opened

The new shine parlor, the Columbia, which is located on Chillicothe street, opened Saturday to fine business. John Maheras, the proprietor, has equipped it with fine furniture and it is a credit to the city.

Letting Of The Pews

The annual letting of pews took place at St. Mary's church after services Sunday morning, and there was spirited bidding for some of the choice seats. The congregation has grown to such proportions under the pastorate of Rev. Father F. Gloeckner that many families are obliged to jointly rent pews with others.

Takes Position On Daily Blade

Harold Robertson, who has been employed as substitute reporter by The Times during vacation season, has resigned and will go on the Daily Blade Wednesday as a regular reporter. Mr. Robertson is an energetic and faithful reporter, and the good wishes of The Times force follows him to his new position. He has decided not to return to Miami University this season.

BABES AND CHAMPS BROKE EVEN BEFORE LARGE CROWD

Chillicothe, Aug. 12.—Before 2000 wildly excited fans the Babes and Champs, sailing under the able leadership of old Pete Childs, broke even in a double-header here Sunday.

The scores were the same, Portsmouth winning the opener, 4 to 3, and the Babes copped contest No. 2 by the same score. The getaway game was a 11-inning affair, which abounded in a series of spectacular plays. After Portsmouth had apparently won it in the fourteenth inning the Babes came back and scored two runs and thereby secured an even break on the day.

Portsmouth got away poorly in the opener, but never became discouraged and finally tied the game up and won out in the ninth on a costly error by Newnham.

Harter and Grandle staged a great pitchers' battle in the second. Harter was found for the most bingles, but he was unhittable in the pinches.

ALWAYS GOOD ON PAPER

The Ironton News chirps:

"The present outlook is that Ironton will have one of the best high school football teams ever. It is understood that a Harvard man will be the coach, and as Manager Dewey Brumberg has a number of games already booked, we are sure of some real sport this coming season."

THIS IS SIDE SPLITTING

Excuse us a minute while we laugh. Gee, but this is going to be funny. Isn't your funny bone tingling humorously, as it were. Oh, this is awfully funny. Just read:

"Newark has been on the decline for some days, but it is no cinch that we are going to take all the games. The Molders are likely to take a brace and come back strong after their recent defeats, just as the Babes did on their first appearance here. Crowe will likely do the hurling for the Nailers in the first game this afternoon, and if he wins, may be allowed to repeat. Crowe wants to leave them both if he can get by with the first one."—Ironton Ironian.

Instead of going into the second game Crowe was sent to the doghouse.

Umpire Benedict In Role Of Policeman

Ironton, Aug. 12.—If you are inclined to think that because Umpire Benedict of the Ohio State league, has only one hand, he is "easy pickin's," ask Roy Rice before you attack him.

Saturday night Officer Brown arrested Rice and Charles Ross on the charge of disorderly conduct, they having a celebration that was not exactly decorous or the proper thing for such late hours.

When the officer had his men almost to the city prison Rice suddenly slipped out of his coat, and leaving the same in the hands of the policeman, ran across and down Third street. Officer Brown called, "Catch that man" to a small man he saw coming up the street in front of the Central Hardware and Harness company store. The man proved to be Umpire Benedict, who was on his way to his room, and he did as he was told, throwing his good arm around the fleeing man, giving him a quick turn with the other arm and a twist with his knee that would have made a Japanese wrestler turn green with envy, and when Rice picked himself up he was about ten feet away from where he started on his whirlwind jig, safely in the arms of Officer Brown.

ONLY 13 DAYS REMAIN

Cincinnati, Aug. 12.—August 26 is designated by the National Baseball commission here today as the date of each year on which becomes effective the prohibition of "the sale of the release of a player by a minor league club to a major or minor league club within twenty days or during the drafting period."

Attention of clubs is particularly directed to the further prohibition of the sale of a player's release by a minor league club "within twenty days of the close of the season of the club disposing of the player."

The intent of this legislation is to prevent clubs of lower classifications whose season closes prior to September 15 from covering up players through collusion with a major league club or minor league club of higher classification.

Big Bet On Pennant

According to a special sent out from New York, a broker in that city bet $3,000 to $10,000 Monday that the Giants would not win the pennant in the National league. He has it all doped out that the Cubs will eventually overtake the Giants and breeze in at the finish.

LOCAL FANS ROOTED FOR BABES

The spectacle, yes strange phenomenon, of Portsmouth rooters actually rooting against their home team was witnessed in the River City Sunday for the first time when the old town took over the Springfield franchise five years ago.

The fans really and candidly wanted the Babes to cop the second game. Yes sir, the Babes have reached the point where they are entertaining games with Portsmouth sympathy back of them. The reason is obvious. Just take a peep at the standing and see where the two teams are stallioned. The Babes are out of the running for the pennant and that is why local fans are pulling for them to finish as high as possible. If Portsmouth can't win, we hope the Babes do.

Just look what they have done for Portsmouth since they edged their way into the O. S. What have they done? Why, they permitted themselves to be trimmed so regularly and so easily by the Portsmouth club that they have always given us a first division team and really were the means of enabling the Champs to win their first pennant in 1910, for it is a matter of baseball history that the Babes beat Marion four in a row while we were doing the same thing to Lima.

It was in those series of games the flag was decided. Oh yes, Chilly, we are grateful for what you have done for us. May you always remain in the Ohio State and may you always continue to lose to Portsmouth with the same degree of regularity in the future as you have in the past.

First Presbyterian	3	10	.231

The First Baptists by defeating the Presbyterians reached the pennant, as Trinity lost to the United Brethren, there being only three more scheduled games to play.

The United Brethren won the first game from Trinity by their extraordinary batting, rolling off several hits when there was a chance for Trinity fielders to allow but two hits.

The second game was won by the Baptists. They have been playing a consistent game all season and have developed a team that is as good as any amateur bunch in this part, under the leadership of Kutch. The Presbyterians had but once chance to score, but the run was cut off by the perfect peg of Sowers, Heberle's pitching and Cornutte's hitting featured the game, Cornutte securing 3 three base hits and two base hit out of three times at bat. Sweet Breezes From Ironton

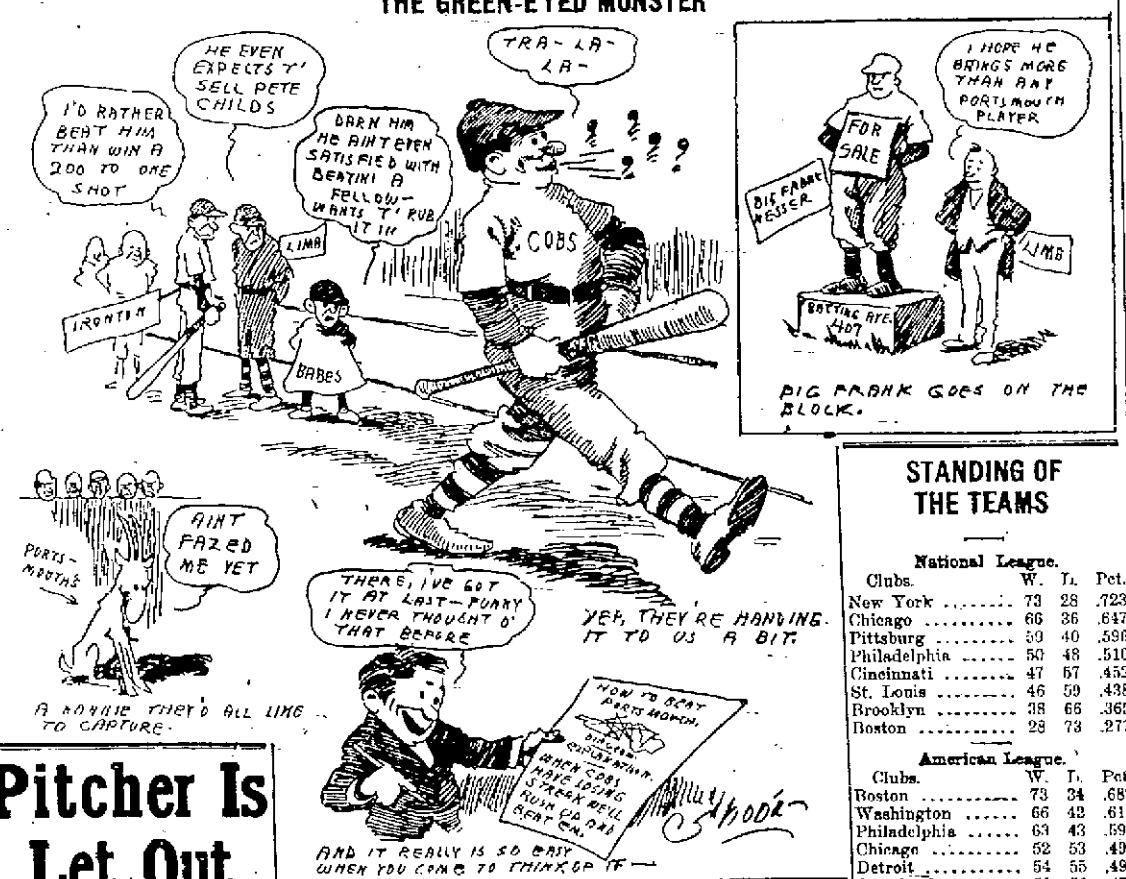
Ironton, Aug. 12. When the Chillicothe team arrived here Wednesday night one of them remarked, "Well, we came in like a lamb, but we'll go out like a lion," and his teammates thought it a wise remark. They may have gone out like a lion, but if so it was like an awfully sick one, who couldn't have whipped even a lame

P. S. Get away from that wheelbarrow. What do you know about machinery!

KnabeMay Get Job

The tip is out that Otto Knabe of the Phillies, is to become the new manager of the Reds. The peppery second baseman would be a worthy successor to O'Day, in fact, most any capable player would be. What the Reds are in dire need of is a playing manager.

THE GREEN-EYED MONSTER



Pitcher Is Let Out

Pitcher Hallman has been released by Manager Childs and he has returned to his home in Barboursville, W. Va. Childs, after seeing him work out for a few times, decided he was not quite fast enough for the Ohio State.

Local Fans Saw Games

Quite a number of local fans went to Ironton Sunday and had oodles of fun as they rooted for Newark. And they had plenty of opportunities to slip in some cutting, sarcastic jabs, as the Molders completely outclassed the Nailers.

HARTWIG WON SIXTH GAME

Portsmouth won Saturday's game from Newark by making a fine batting rally in the eighth inning, which netted six runs, the final score being 8 to 2.

Hartwig opposed Scott, the latter being peaches and cream for the Champs. Hartwig, as usual, was effective in the pinches against the Molders. Six straight hits by Beers, Southworth, Hartwig, Edwards, Baggan, Conwell and E. Cain, coupled with three errors, netted the clusters of runs in the eventful eighth.

SPECIALS BEAT LUCASVILLE

The Glockner Specials went to Lucasville Sunday and beat the team of that place, the score being 6 to 0. A rain storm came up just before play was commenced, but the rain was not heavy enough to prevent play. The batteries were Burton, Grabtree and Smith for Lucasville and Adams and McDaniel for the Specials.

No Recruits Good Enough

Cleveland's annual raid upon the Portland and New Orleans clubs will not be attended by fruitful results this fall. For two years the Sixth City team has been able to recruit its shattered ranks most acceptably from the Portland club, while it was not such a bad move when Joe Jackson was gathered in from the New Orleans club.

But this year Portland has no Vean Gregg, no Bill Steen nor a Buddy Ryan. In fact, it has no players as good as Bert Gibson or Roger Peckinpaugh that Manager Jones would care to have. It would be no surprise if Cleveland utterly failed to exercise its option rights on the Portland team.

Elmer Flick Is Released

Elmer Flick has been released unconditionally by Toledo. He has been playing professional ball for 19 years and is said to be quite wealthy.

Umpire Failed To Watch Pretty Throw

Local fans who witnessed the two games in Chilly Sunday insist that the second game was lost because Umpire Kuhn did not keep his eye on the ball, but watched the runner.

The play was like this: Hammond was on second in the eighth, with the Babes one run behind and two men down. The next batter shot a single into right field. Southworth was playing in close, picked up the pellet on the first bounce and lined the ball to Beers, the runner being caught three feet. And mind you Hammond had not yet reached coaching territory. Still Kuhn was watching Hammond intently and did not see Southworth's beautiful play at first.

The fans were not sore about it, goodness no. They wanted Chilly to win one of them. If they hadn't the old town would have had more grouches today to the square inch than any other town in the world.

CURSES! IRONTON LOST 2

Slow music and flowers.

Ironton dropped a double-leader to the Newark club Sunday before 1500 fans. The Nailers were outplayed in both contests. The Champs walloped the Molders on their own lot and then the latter go into Ironton and copped two games before a big Sunday crowd. Pale is a heartless, remorseless cuss.

HAD CHANCES TO PROTEST GAME

Were the Portsmouth management so disposed they could have found two just causes for protesting the second game at Chillicothe Sunday.

Umpire Kuhn blundered when, in the ninth inning, he failed to keep his eye on the ball. Kuhn presumed Southworth was going to throw to the plate and stood over it. The right fielder instead noticed Newnham loafing down to first and nailed him by six or eight feet but Kuhn failed to see the play, causing the game to go into extra innings.

Then too the game could have been protested on the ground that it is unlawful to play after 6 o'clock.

PULLED OFF ONE ON HAMMOND

Baggan pulled off a good one at the expense of Hammond during the latter part of the first game at Chillicothe Sunday.

Hammond hit the ball to the left foul line. It was beyond Baggan's reach but the outfielder made a feint at whipping the ball to the infield. Hammond saw the motion and ran back to first base. The next instant he went to second on Weinberg's muff. Weiney thought the ball had rolled back into the grass only to discover that it was between Batsman McCall's shoes.

NEW TOWNS FOR THE OHIO STATE

From parties, who have had personal talks with President Bob Heed of late it is learned that there is a good prospect of both Zanesville and Huntington coming into the Ohio State league next season. They would give the league a good eight club circuit.

HUMPHRIES LET GO BY MANSFIELD CLUB

Shortstop Harley Humphries has been released by Mansfield. He has slowed up woefully and his playing days are practically over.

THE ALL STARS BEAT STEEL TEAM

The All-Stars, with Mowrey pitching airtight ball, ran away from the Steel Plant team Sunday at Millbrook, the Steelmakers being defeated by the score of 9 to 3. Mowrey, who was with Williamson in the Mountain State league, was a complete puzzle to the steel boys. The score:

SCOUT AFTER TRAUTMAN

According to the Ironton papers a big league scout actually gave up a few hours of his valuable time to map study Saturday and finally located Ironton. It is said he is after Trautman, who has been going along pretty nicely.

ARM NEEDS IRONING OUT

"Big Joe" Willis of the St. Louis Nationals, has gone to Youngstown, O., to see Bonesetter Reese about his arm, with which he has been having some trouble. This is the reason Joe's name has not appeared in the pitching list of the Cardinals.

TEAM HAS WON THREE OUT OF FOUR

The Champs have been a great road team this season. They won the first pennant on foreign soil, and they now bid fair to clinch the second one in the enemy's own lair. A good ball club is one that can win before hostile crowds like the Champs have been.

They started the present trip by winning two in a row in Newark and then by breaking even in Chilly Sunday. Some team that is representing the River City.

Ironton Is Desperate

In the hopes of bolstering his team Manager Moore of the Nailers has been trying to get a couple of players from Dick Smith's Springfield (Ill.) team. But Smith has no available players to send to Ironton.

Games Were Exciting

The Messers. Will and George Gableman, Raymond York, Will Zettman and Milton Longfellow motored to Chilly Sunday and got a great run for their money as the two games with the Babes were as exciting as a bull fight.

Keeping Up Good Work

Fred Hunter is keeping up his good work for Indianapolis, as his latest batting average is .290. Rebel Keene, who essayed to slip Fred into the list of oblivion, found it a herculean task. With a winning team, Hunter would be easily the best first sacker in the A. A.

Brooks' Still Lead In The S. S. League

Team Standing.

Brooks	11	0	1,000
Second Presbyterians	5	6	.455
Howlands	4	6	.400
All-Stars	1	5	.167

The Christian - Presbyterian league played their regular scheduled games on the grounds at Sixteenth and Findlay Saturday afternoon. The Brooks, by beating the All-Stars, still hold the coveted 1,000 per cent, and they state that they are confident that they will retain it until the bell taps.

In the first game the Brooks gave the All-Stars a drubbing by a 4-to-3 score. The game was very interesting and in all cases did the Brooks handle themselves with big league accuracy. The class with which they played showed the on-lookers why they were in the coveted place of first.

In the second game the Second Presbyterians took the Howlands into camp by an 8-to-4 score. The Presbyterians, by taking this game, shoved the Howlands out of second place, which they have held for some time. The Howlands handled themselves like soldiers and had the Presbyterians in the camp until the baloon went up in the last innings. The Presbyterians will play the All-Stars next week and hope to still retain their winning gait.

Senators Won, Boston Lost

The race in the American league was tightened up a little yesterday as Detroit beat Boston, while the Senators defeated St. Louis.

Had Crowd On Excursion

There were 200 took in the excursion on the Peerless to Ironton, Saturday afternoon, given by Robert McDowell, of New Boston. The boat remained an hour and a half at the Ironton wharf, giving the excursionists sufficient time to enjoy the sights of the city.

Mr. McDowell found it necessary to put off two men at Sciotoville, who were disorderly. Mr. McDowell states that otherwise it was a most orderly crowd and everyone thoroughly enjoyed the trip.

STONE COMP'Y WAS FORMED

Among the incorporations at Charleston, W. Va., Saturday was the following:

"The Peebles Stone Company, Lewisburg, W. Va., with chief works in Adams County, Ohio; stone quarries; capital stock, $40,000; incorporators, R. B. Holt, G. M. Handley, S. L. Price, C. G. Mathews, W. E. Nelson, Leisburg, W. Va., and F. T. McClintic, Academy, W. Va."

In The East.

George Roberts, who is employed by the Selby Shoe Company, left Monday on a two weeks' business trip to New York and Boston.

PLATE OF MEAT FOILED FOOTPAD

A man whose identity was not learned, early Saturday evening made an ineffectual attempt to rob Mrs. Mary Goff, a local colored woman, who was employed Saturday in the home of Mr. and Mrs. John Jones, of 828 Second street.

The stranger stepped up to Mrs. Goff as she was nearing J. F. Carr's home and grabbed three times at her pocketbook, which was reposing in a pocket of her shirtwaist. Mrs. Goff did not become excited, as was evidenced by her dashing a plate of meat in the face of the stranger, who, after realizing that his plans had been thwarted, took to his heels and ran away.

Mrs. Goff later ran into Policeman Albrecht, and she furnished the officer with a description of the man.

Had Big Time At A Basket Picnic

Judge Ball, J. J. VanGorder and H. L. Cline were the speakers at a basket meeting held at Sargent's Station, Sunday.

Mr. Cline spoke in the morning, Judge Ball and Mr. Van Gorder in the afternoon and Mr. Cline and Mr. Vangorder addressed a large audience in the evening. Close attention was paid to each speaker, and much interest manifested. The speakers speak very highly of the hospitality of the people of that vicinity. On account of rain, dinner was served in the nearby church. At supper the gentlemen were pleasantly entertained at the Daley home.

WERE TOLD TO COMPROMISE

The case of The Moneyweight Scale company vs. Joseph Fields & Son, merchants, which came to the common pleas court on appeal, was submitted to Judge Blair Monday. The plaintiff sold the defendant a scale for $140, and of this sum Fields paid $50 at the time of making the purchase. Ten days after receiving the scale it was condemned and locked down by local county sealer and then he refused to make further payments on the contract.

The scale company then replevined the scale and failed to tender back to Fields any part of the money already paid. Judge Blair knocked out the replevin and advised the opposing attorneys, Mark A. Crawford and Sherrard M. Johnson, to get together and settle the matter.

Will Travel For Brown Co.

Harry Gillen, who is going on the road for the Brown Shoe Company of St. Louis, arrived in the city Sunday from Pittsburg. He will make his headquarters in Portsmouth, as he will cover the state of Ohio for his firm.

Carrier Boy Loses Money

Everett Hardgrove, Times carrier, lost between $4.00 and $4.50 Saturday morning, which he is very anxious to have returned to him. The boy believes that he lost it on Seventh street, although he is not positive. The money was in part of an old stocking leg, and the finder will be rewarded if it is returned to 1605 Franklin avenue.

Police Clerk John Smith has been suffering with a heavy cold the past few days. He is so hoarse he can scarcely talk.

FIRST CHRISTIAN CHURCH NOTES

The Teachers' Congress meets tonight at 7:3. Every teacher and officer ought to be present. Teachers, meet your superintendent at 7:30 at the church.

The prayer meeting Wednesday evening will be in charge of the men of Mr. Brooks' class. They will furnish the leader and prepare the program. It is hoped they will be present a hundred strong.

Section 1 will hold its business meeting at the home of Mrs. William Boren, 219 Front street, this evening. All members are urged to be present.

Section 3 of the Woman's Union will meet Thursday afternoon, at two o'clock, at the home of Mrs. Black. On August 20th Section 3 will give a lawn fete at the home of Mrs. Sperry, 801 John street.

Section 4 will meet Tuesday evening at the home of Mrs. Black, 720 Cambell avenue. All members are urged to be present.

John Ault's class will meet Tuesday evening at his home, 1222 Summit street. A full attendance is desired.

F. L. McGlone's class No. 3, Seniors, will meet Thursday evening at Mrs. Ruggels', 109 Third street. All members are urged to attend.

Section 4 will give a social on Thursday evening. Refreshments will be served on the lawn. All are invited to come to the home of Mr. Jacobs, on Seventh street, above Rayner.

Went Through Regular Lake

Grant Hannaks, city salesman for B. Augustin, returned Sunday from a week's stay at Mineral Springs. Jack ran into a terific storm near Billtown and drove his Ford machine through two feet of water. He was accompanied here by Vernon McFarland, who spent Monday with local relatives and friends.

WITH THE AUTOISTS

There is general complaint from motorists over the slippery condition of the Chillicothe pike paving, due to overloading of wagons hauling shale from the banks to the Portsmouth Paving Brick company plant. Shale is jarred off the wagons on the brick and the least rain makes the road as slippery as glass, making machines, even when driven at lowest speed, slip and slide around. Several accidents and near accidents have been the result. The matter should be looked into and remedied.

Dr. Howard Williamson, Charles S. and Rigdon Hall and R. L. Gilbert went to Chillicothe Sunday in Dr. Williamson's auto, having a very delightful trip.

It is estimated that at least 100 Portsmouth persons attended the double-header at Chillicothe, Sunday.

Autoists while enjoying the round trip were more or less discommoded by the local showers which they encountered in spots during the afternoon. It was a case of raising or lowering the machine tops every few miles. The going of cars was made hard on the return trip by a cloud-burst that extended from the Bannon farm up to near Wakefield, badly washing the road in places.

Among the auto parties were those of George E. Krieker, who was accompanied by Mayor Fred N. Tynes, Wells A. Hutchins, Judge John C. Milner and Will J. Friel; Raymond York, who was accompanied by Milton Longfellow, Will Zottman, Will and George Gableman; Henry Frowine and party, William Cook and family. The Peerless Taxi-Car also made the round trip with a big party.

L. O. Turley has placed an order for a new Chalmers six cylinder, 7 passenger car and will dispose of his Thomas car. The latter is in good condition, the change being made in order to get a larger car.

Valleo Harold's touring car is disabled temporarily with a broken axle.

Over 55,000 autos have registered in Ohio this year so far, as against 45,000 for the same period last year.

Mr. and Mrs. Fred Klingman, of West Second street, motored to Maple Grove Springs and spent Sunday.

MR. EAGLE ACTIVE AT COMMITTEE MEETING

Sherman H. Eagle, of Gallipolis, who resigned as member of the Republican state central committee Saturday along with other Roosevelt members of the committee, said that he did so with regret, as he did not wish to do it, but he felt that the domination of the party by special interests made it necessary to carry on the fight for the right elsewhere than in the party organization. "Since you Taft men seem to expect us to get out, and have created a situation under which a man with progressive views cannot, in honor, remain on the party committee, I am going to resign," said Mr. Eagle.

The resignation of Eagle was accepted along with those of other Roosevelt members and Edwin Jones, of Jackson, former member of the state central committee, was elected a member to succeed Eagle. Jones is a millionaire coal operator and a pronounced reactionary. He is a strong Taft man and bitter against Roosevelt.

Mr. Eagle was active in the discussion that preceded the vote on Gen. R. B. Brown and U. G. Denman as candidates for governor. A dispatch says:

"Sherman Eagle, in a set speech, said that he was not personally favorable to Mr. Denman. There were other men that he would rather vote for, but he was persuaded by his associates that he was the most available man for getting the party united, and he was willing to sink his personal likes in the matter for the general party good. He had promised to vote for his nomination and would do so."

Sherman Granger, of Zanesville then took the floor to present the candidate of the Taft faction, who it was known by that time was General R. B. Brown, of Zanesville. He said he was not present as a representative of factionalism. He was there as a Republican. He was trying to do the best thing in the committee for the whole Republican party, and carrying out that idea, he would present the name of a man who, if nominated, would work not only for the success of the state, county and congressional tickets, but for the success of the national ticket as well.

Not A Republican.

Roosevelt was no longer a Republican, he said. He had left the Republican party and formed a new one, so as a matter of fact there was no factionalism in the purged Republican party. He nominated General Brown as the candidate of the regular Republican party and one ready to fight for it all along the line.

Mr. Kirtley, of the Fifth district, Roosevelt Republican, seconded the nomination of Mr. Denman.

Sherman Eagle asked Mr. Granger if it was not a fact that General Brown had agreed to take endorsement from the Bull Moose party. Mr. Granger said he would not answer the question.

"Would it not be a good idea to find out before we vote on this nomination?" asked Mr. Eagle.

"I think he would take nomination from the Bull Moose party or any other party," said Mr. Granger. "A candidate wants to get all the support he can."

"Even from the Democratic party," asked a delegate. Mr. Granger did not reply to this question.

"What is your opposition then, to the first candidate presented to the committee" (Mr. Denman), asked Mr. Eagle.

Mr. Eagle entered upon a discussion of the situation, showing that while the Taft members had objected to the consideration of Mr. Denman as a candidate for the alleged reason that they had no assurance that he would not train with the Bull Moose party, while the candidate that had been brought forward by the Taft people was, by the admission of the member who presented his name, ready and willing to take the endorsement of any old party.

"I am willing to wait for a statement from Mr. Denman on that matter," said Mr. Maeselke, of Cleveland. "I think well of him. He is a good friend of mine, and I am willing to adjourn this meeting until we can have a direct answer from him as to where he stands in the new party alignment."

He Would Not Object.

Mr. Granger got in with a remark to the effect that General Brown had said to him that he would not object as a state candidate to taking an endorsement from the Bull Moose party.

Sherman Eagle in a fiery statement charged that agents of President Taft had been here dictating whom the committee should nominate. This brought a denial from P. W. Durr, who declared that the president had refused to have a hand in it.

"I know," said Mr. Durr. "for I tried to get him to take a hand in it, and he would not."

"Well," said Mr. Eagle, "you fellows have been going up to a room over there on East Broad street (Mr. Laylin's office) taking orders for the last two days."

George H. Hamilton, Taft member from Newark, resented this allusion.

"Haven't you been conferring with the president's secretary and his assistant secretary of the interior since yesterday?" asked Eagle.

"I have not," retorted Hamilton, "for I only arrived in Columbus at noon today, coming direct from Pittsburg."

"Oh, well, then," said Eagle, "they knew that you knew what to do" and there was a general laugh at the expense of Mr. Hamilton.

"What I want to know," said Mr. Hamilton, "is why you refer to us (Taft people) is the assassins of the party and you as its savior." He got no answer.

After some further discussion, General R. B. Brown was nominated and the Roosevelt men bolted, as told in dispatches to Saturday's Times.

He Is Very "Wet."

The Republicans were expecting to make a fight on James M. Cox, directed at his so-called "wet" proclivities in advocating the license proposal, but the nomination of General Brown upset these plans, for General Brown is much more objectionable to the "drys" than Mr. Cox is, because in his Zanesville newspaper he has espoused the side of the "wets" in the long and bitter fight in that city over county option.

The Taft members of the committee did not choose a candidate for lieutenant governor as expected when they met again at 5 o'clock Saturday. Instead, they adjourned until Tuesday, when they will fill out the ticket.

TO VOTE ON TURNPIKE

The citizens of Greenup county will vote November 5 on building a turnpike through the county. Squire Brickey has been busy securing petitions, and last week presented to the court of Greenup petitions signed by 1,500 citizens in the eight magisterial districts favoring an election.

Girl Jumps From A Wagon, Breaks Foot

Roxie Lucas, of Piketon, suffered a painful injury Saturday evening, when she jumped from a wagon. She caught her foot in the spokes of a rear wheel, and snapped a bone. A party of Portsmouth automobilists found the girl crying along the road, the rest of the crowd excepting her sister, having driven on. She was placed in the machine and hustled back to Piketon, where medical aid was called.

IS YOUR CANARY A BLEACHED SPARROW?

Cincinnati, Aug. 12.—Bleaching sparrows to make them look like canaries is an entirely new stunt. The copyright, or what you will, belongs to Theodore Benny, who was arraigned for vagrancy before Judge Fuckle in the police court today.

"How in the world do you manage to make a living?" the Judge asked.

"I make a living, all right, all right."

"Well, how do you do it?"

"I bleach sparrows and sell them as canaries."

"Fifty dollars and costs."

Now, isn't that a "bird" of a story!

Cal Wilson Facing Charge Of Perjury

Sunday Morning's Irontonian said:

"Cal Wilson, a resident of Ironton, but who of late has been in Portsmouth, was arrested Saturday afternoon by Constable Upp and Officer Harvey, on the corner of Third and Center streets, Ironton. Wilson is wanted in Greenup on a charge of perjury, which, it is alleged, he committed at the trial of Bob Hammond, at which he was a witness.

"The charge was preferred shortly after the trial, but Wilson left Ironton and an additional charge of being a fugitive from justice was placed against him.

"Wilson returned to Ironton a few days ago and his arrest Saturday followed.

"The warrant upon which he was arrested was sworn out by Marshal Wadkins, of Russell. Wilson was taken to Squire Hannon's office and later gave a $500 bail with his brother, S. W. Wilson, as security. He is represented by Attorneys Layne, Johnson and Jones."

ONLY THREE FACE MAYOR

The docket in the mayor's court was unusually light Monday, only three arrests having been made Saturday night.

W. L. Smith, a teamster, and one of Mayor Tynes' original "bread and water" diet victims, pleaded guilty to drunkenness. He was fined $5.00, ordered to settle a four dollar board bill he owed, and promised a trip to the workhouse his next time in court.

John Lacey, who was badly used up in a North End cutting affray last winter, and W. P. Dever, a St. Paul, Ky., product, pleaded guilty to intoxication and were fined $5.00 each.

Fair Special At One P. M.

The special train for the Lucasville fair on Wednesday and Thursday, August 14 and 15, will leave here promptly at 1 o'clock instead of 12, as has been stated. All regular trains will stop at the fair grounds, but the special train will be run only on the 14th and 15th, Wednesday and Thursday.

Those Awful Roaches

They sneak out on the kitchen sink and look at you sadly sometimes. Don't fret your life away, dusting powders in the crevices and buying insecticides. Make a hot suds with Easy Task Soap and go after that sink. Mr. Roach and his family thrive where things are not clean, and it is hard to clean the cracks and crevices with ordinary yellow soap—it is impossible! Easy Task Soap makes roaches hunt other quarters. It keeps roaches out of wooden, too, if you use it in your laundry.

REV. REESE MAY BE BISHOP COADJUTOR

Columbus, O., Aug. 12.—Rev. Theodore Irving Reese, of Trinity Episcopal church, is said to have the inside track to become bishop coadjutor of the southern Ohio Episcopal diocese, following the announcement Friday of Rev. Peter Trimble Rowe, missionary bishop of Alaska, that he would not accept the post, and would return to his work in the far north. Bishop Rowe was unanimously elected to the position at the convention held in Cincinnati in May, and at that time Rev. Mr. Reese was said to be the choice for the place should Bishop Rowe decline.

The convention will be held after Bishop Boyd Vincent returns about the last of September from England, where he is attending the Lambert missionary conference. If Rev. Mr. Reese is elected and accepts the place, he will probably continue to make Columbus his residence. He is at present on his vacation with his family at their summer home in Cognit, Mass.

Leg Was Sprained

Charles Hartley, a barber employed at Charles Sperry's barber shop, had a leg badly sprained in wrestling with some friends at a camp on Tygart creek, Sunday. He has since been laid up and in the care of a physician.

Played Great Game.

Both outfields played wonderful ball in Sunday's double header at Chillicothe. Weiny's line drive, which looked like a sure homer, was stabbed within one foot of the top of the fence.

CLOUDBURST AT WAVERLY

Waverly and immediate vicinity were visited by a veritable cloudburst Sunday afternoon, the rainfall being the heaviest in years. In many places part of the county road was washed away. Stockdale had a very hard rain just after the noon hour Sunday.
